Newspapers are our good friends. Life without Newspapers is a waste. Newspapers bring us news and views from all corners of the world. Any incident of occurrence of importance that takes place is reported by the newspapers. The word "NEWS" is interpreted as North, East, West and South. It means that the newspaper provide us information and news regarding various subjects from all the directions. Newspapers also give us articles on all kinds of topics such as politics, social, economic monetary, business, commerce, sports, education, health etc. News papers publish advertisements which attract the attention of the customers. They also contain book reviews of literary, historical and other books by the scholars. Newspapers are of different types. Some newspapers are published daily. They are called "Dailies". We must cultivate the habit of reading newspapers to know whats happening around the globe. The one who reads newspapers and interprets editorial page can be master in current affairs and general knowledge. Reading newspaper helps you to find out what news is and how it is written. The one who dreams to be a journalist should not spare a day without reading the newspaper. They should be aware about the editorial and to be well versed with vocabulary. We will get to know news from all the countries if we read newspapers regularly. If we are reading the newspapers seriously, it will also help to shine in competitive examinations. (E607/605)
