Voulez-vous sauver l'Etat? ,1790 **Of Yankee Granite: An Account of the Building of the Bunker Hill Monument** E. H. Cameron, On Saturday 17 June 1775 on a fortified hilltop farm near Bunker s Hill Charlestown Mass a volunteer force of American citizens faced the professional soldiery of the world s strongest nation When their scant supply of ammunition gave out the survivors retired in good order to learn later that 140 of their neighbors and other companions had been killed in the fight Their battle is therefore registered as an American defeat It proved to be a striking victory however for historians agree that the Battle of Bunker Hill set the pace that led to ultimate victory in the American War of Independence This little force of farmers mechanics tradesmen and professional men had demonstrated how Americans should fight when their independence is threatened On the field where the battle was fought the Bunker Hill Monument has now stood for over a century the rugged lines of its granite masonry symbolizing the enduring strength of the stern spirit of American independence that it commemorates About 40 years after the Battle of Bunker Hill all New England was deeply stirred by a pamphlet published by Major General Henry Dearborn who had taken part in the engagement The pamphlet accused General Israel Putnam one of the most revered of the Revolutionary heroes of incapacity and cowardice in the battle Thereupon the Battle of Bunker Hill was fought over and over again at the wharves sail lofts and ropewalks of Boston and in all places where men gathered to work and to talk about the events of the day Crowded nine inside and five on top of the jolting four in hand stagecoaches from Boston friends and foes of the popular Revolutionary hero would wrangle over his conduct at the battle It would be a long argument at five miles per hour with little room for gestures With tankards in hand by the warm fireplace in the low ceilinged tavern of the village where the coach would stop for the night the passengers could express their convictions more forcefully and the Battle of Bunker Hill would become a very live topic indeed The furor over the Putnam Dearborn controversy became secondary however as the bald fact was realized that aside from a small wooden column no memorial existed on the site of one of the most famous military engagements of American history *The Mastery series.
