Queer Cities Queer Cultures Europe Since 1945:

Queer Cities, Queer Cultures Jennifer V. Evans, Matt Cook, 2014-08-28 *Queer Cities Queer Cultures* examines the formation and make up of urban subcultures and situates them against the stories we typically tell about Europe and its watershed moments in the post 1945 period The book considers the degree to which the iconic events of 1945 1968 and 1989 influenced the social and sexual climate of the ensuing decades raising questions about the form and structure of the 1960s sexual revolution and forcing us to think about how we define sexual liberalization and where how and on whose terms it occurs An international team of authors explores the role of America in shaping particular forms of subculture the significance of changes in legal codes differing modes of queer consumption and displays of community the difficult fit of queer as opposed to gay and lesbian politics in liberal democracies the importance of mobility and immigration in modulating queer urban life the challenge of AIDS and the arrival of the internet By exploring the queer histories of cities from Istanbul to Helsinki and Moscow to Madrid *Queer Cities Queer Cultures* makes a significant contribution to our understanding of urban history European history and the history of gender and sexuality

Queer Jewish Groups in Europe (1972-1990s) Jan Wilkens, 2025-03-31 In the 1970s queer Jews became excited by the developments of the Gay Liberation Movement in both the US and Europe Until then they were not able to express their queerness in Jewish communities and hoped for new inclusive spaces Yet they quickly realized that the movement was not as welcoming as anticipated Thus they started to organize in February 1972 the world's first queer Jewish group became publicly visible in London with its symposium *The Jewish Homosexual in Society* The Jewish Gay Group began tackling the exclusion of non heteronormative Jews in British Jewish and queer communities Soon after two more queer Jewish groups formed Beit Haverim House of Friends in Paris and Sjalhomo a neologism of shalom and homosexual in Amsterdam Besides their goal of emancipation these groups brought together their members based on shared experiences as both Jewish and queer opening up much needed spaces for social encounters The groups also established a Europe wide support network that enabled international collaboration for more than a decade This study archives these groups histories and that of their network By doing so it broadens prevalent narratives of Europe's post World War II Jewry and queers the discipline of Jewish History

A Companion to Feminist Art Hilary Robinson, Maria Elena Buszek, 2019-10-22 Original essays offering fresh ideas and global perspectives on contemporary feminist art The term feminist art is often misused when viewed as a codification within the discipline of Art History a codification that includes restrictive definitions of geography chronology style materials influence and other definitions inherent to Art Historical and museological classifications Employing a different approach *A Companion to Feminist Art* defines art as a dynamic set of material and theoretical practices in the realm of culture and feminism as an equally dynamic set of activist and theoretical practices in the realm of politics Feminist art therefore is not a simple classification of a type of art but rather the space where feminist politics and the domain of art making intersect The

Companion provides readers with an overview of the developments concepts trends influences and activities within the space of contemporary feminist art in different locations ways of making and ways of thinking Newly commissioned essays focus on the recent history of and current discussions within feminist art Diverse in scope and style these contributions range from essays on the questions and challenges of large sectors of artists such as configurations of feminism and gender in post Cold War Europe to more focused conversations with women artists on Afropean decoloniality Ranging from discussions of essentialism and feminist aesthetics to examinations of political activism and curatorial practice the Companion informs and questions readers introduces new concepts and fresh perspectives and illustrates just how much more there is to discover within the realm of feminist art Addresses the intersection between feminist thinking and major theories that have influenced art theory Incorporates diverse voices from around the world to offer viewpoints on global feminisms from scholars who live and work in the regions about which they write Examines how feminist art intersects with considerations of collectivity war maternal relationships desire men and relational aesthetics Explores the myriad ways in which the experience of inhabiting and perceiving aged raced and gendered bodies relates to feminist politics in the art world Discusses a range practices in feminism such as activism language education and different ways of making art The intersection of feminist art making and feminist politics are not merely components of a unified whole they sometimes diverge and divide A Companion to Feminist Art is an indispensable resource for artists critics scholars curators and anyone seeking greater strength on the subject through informed critique and debate *The Greek Military Dictatorship* Othon Anastasakis, Katerina Lagos, 2021-09-17 From 1967 to 1974 the military junta ruling Greece attempted a dramatic reshaping of the nation implementing ideas and policies that left a lasting mark on both domestic affairs and international relations Bringing together leading scholars from a range of disciplines *The Greek Military Dictatorship* explores the junta's attempts to impose authoritarian rule upon a rapidly modernizing country while navigating a complex international landscape Focusing both on foreign relations as well as domestic matters such as economics ideology religion culture and education this book offers a fresh and well researched study of a key period in modern Greek history *A Guide to Spatial History* Konrad Lawson, Riccardo Bavaj, Bernhard Struck, 2022-01-07 This guide provides an overview of the thematic areas analytical aspects and avenues of research which together form a broader conversation around doing spatial history Spatial history is not a field with clearly delineated boundaries For the most part it lacks a distinct unambiguous scholarly identity It can only be thought of in relation to other typically more established fields Indeed one of the most valuable utilities of spatial history is its capacity to facilitate conversations across those fields Consequently it must be discussed in relation to a variety of historiographical contexts Each of these have their own intellectual genealogies institutional settings and conceptual path dependencies With this in mind this guide surveys the following areas territoriality infrastructure and borders nature environment and landscape city and home social space and political protest spaces of knowledge spatial imaginaries cartographic representations and historical

GIS research **Gentrification in Helsinki** Kevin Drain, 2024-06-07 This book unravels the paradox of gentrification in Helsinki Finland Here housing and welfare policies work well under certain conditions to prevent the worst outcomes of residential gentrification Yet other forms of gentrification have proliferated in recent years and local urban planning has gained a momentum in efforts to remake the urban landscape for business and tourism Through a range of methods each chapter approaches a different aspect of gentrification the effectiveness of welfare policies against residential gentrification the importance of retail gentrification and symbolic changes the role of media and state led tourism campaigns in promoting gentrification the rise of vibrancy and sustainability as concepts driving regeneration and the question of planning principles like participation in confronting gentrification The reader will find a state system that supports a delicate balance in housing but a local planning regime related to a more generalized gentrification The results raise questions about the limits of the welfare state in an age of global competition While new readers of gentrification will benefit from a deep engagement with the literature the case of Helsinki is relevant to all students of planning social sciences and urban studies as well as professionals in related fields *Laurence Oliphant (1829-1888) and The Household* Jeffrey D. Lavoie, 2021-09-28 This book explores the religious teachings of best selling Victorian author and former Member of Parliament Laurence Oliphant 1829 1888 While several biographies have been written on his captivating life the stage of his life when Oliphant first established The Household commune has until now been largely unexplored This book focuses on this later stage of his life exploring Oliphant s religious teachings Additionally this study incorporates a newly discovered archive which reveals many behind the scenes details of The Household s teachings Jeffrey D Lavoie shows that Oliphant provided a unique interpretation of sexuality from a mystical Christian perspective which opposed the restrictive contemporaneous Victorian morality

Mapping LGBTQ Spaces and Places Marianne Blidon, Stanley D. Brunn, 2022-07-11 This book addresses LGBTQ issues in relation to among others law and policy mobility and migration children and family social well being and identity visible and invisible landscapes teaching and instruction parades arts and cartography and mapping A variety of research methods are used to explore identities communities networks and landscapes all which can be used in subsequent research and classroom instruction and disciplinary and interdisciplinary levels This extensive book stimulates future pioneering research ventures in rural and urban settings about existing and proposed LGBTQ policies individual and group mapping visible and invisible spaces and the construction of public and private spaces Through the methodologies and rich bibliographies this book provides a rich source for future comparative research of scholars working in social work NGOs and public policy and community networking and development **Queer beyond London** Matt Cook, Alison Oram, 2022-06-28 When it comes to queer British history London has stolen the limelight But what about the millions of queer lives lived elsewhere In *Queer beyond London* two leading LGBTQ historians take you on a journey through four English cites from the sixties to the noughties exploring the northern post industrial heartlands and taking in the salty air of the seaside cities of the South

Covering the bohemian artsy world of Brighton the semi hidden queer life of military Plymouth the lesbian activism of Leeds and the cutting edge dance and drag scenes of Manchester they show how local people places and politics shaped LGBTQ life in each city forging vibrant and distinctive queer cultures of their own Using pioneering community histories from each place and including the voices of queer people who have made their lives there the book tells local stories at the heart of our national history

Encountering Palestine Mark Griffiths, Mikko Joronen, 2023 This edited volume is situated at the intersection of cultural and political geographies and offers innovative reflections on power colonialism and anticolonialism in contemporary Palestine and Israel

Locating Queer Histories Matt Cook, Justin Bengry, Alison Oram, 2022-11-03 Ranging from the mid 19th century to the present and from Edinburgh to Plymouth this powerful collection explores the significance of locality in queer space and experiences in modern British history The chapters cover a broad range of themes from migration movement and multiculturalism the distinctive queer social and political scenes of different cities and the ways in which places have been reimagined through locally led community history projects The book challenges traditional LGBTQ histories which have tended to conceive of queer experience in the UK as a comprising a homogeneous national narrative Edited by leading historians the book foregrounds the voices of LGBTQ identified people by looking at a range of letters diaries TV interviews and oral testimonies It provides a unique and fascinating account of queer experiences in Britain and how they have been shaped through different localities

A Badge of Injury Sébastien Tremblay, 2023-12-04 A Badge of Injury is a contribution to both the fields of queer and global history It analyses gay and lesbian transregional cultural communication networks from the 1970s to the 2000s focusing on the importance of National Socialism visual culture and memory in the queer Atlantic Provincializing Euro American queer history it illustrates how a history of concepts which encompasses the visual offers a greater depth of analysis of the transfer of ideas across regions than texts alone would offer It also underlines how gay and lesbian history needs to be reframed under a queer lens and understood in a global perspective Following the journey of the Pink Triangle and its many iterations A Badge of Injury pinpoints the roles of cultural memory and power in the creation of gay and lesbian transregional narratives of pride or the construction of the historical queer subject Beyond a success story the book dives into some of the shortcomings of Euro American queer history and the power of the negative writing an emancipatory yet critical story of the era

Immigrants in the Sexual Revolution Andrew DJ Shield, 2017-08-29 This book focuses on the latter half of the twentieth century when much of northwest Europe grew increasingly multicultural with the arrival of foreign workers and post colonial migrants whilst simultaneously experiencing a boom in feminist and sexual liberation

activism Using multilingual newspapers foreign worker organizations archives and interviews this book shows that immigrants in the Netherlands and Denmark held a variety of viewpoints about European gender and sexual cultures Some immigrants felt solidarity with and even participated in European social movements that changed norms and laws in favor of women s equality gay and lesbian rights and sexual liberation These histories challenge today s politicians and journalists who strategically link immigration to sexual conservatism misogyny and homophobia

Sex, France, and Arab Men, 1962-1979 Todd Shepard, 2018-01-08 The aftermath of Algeria s revolutionary war for independence coincided with the sexual revolution in France and in this book Todd Shepard argues that these two movements are inextricably linked Sex France and Arab Men is a history of how and why from the upheavals of French Algeria in 1962 through the 1970s highly sexualized claims about Arabs were omnipresent in important public French discussions both those that dealt with sex and those that spoke of Arabs Shepard explores how the so called sexual revolution took shape in a France profoundly influenced by the ongoing effects of the Algerian revolution Shepard s analysis of both events alongside one another provides a frame that renders visible the ways that the fight for sexual liberation usually explained as an American and European invention developed out of the worldwide anticolonial movement of the mid twentieth century

Gender in Twentieth-Century Eastern Europe and the USSR Catherine Baker, 2016-09-29 A concise and accessible introduction to the gender histories of eastern Europe and the Soviet Union in the 20th century These essays juxtapose established topics in gender history such as motherhood masculinities work and activism with newer areas such as the history of imprisonment and the transnational history of sexuality By collecting these essays in a single volume Catherine Baker encourages historians to look at gender history across borders and time periods emphasising that evidence and debates from Eastern Europe can inform broader approaches to contemporary gender history

The Politics of Authenticity Joachim C. Häberlen, Mark Keck-Szajbel, Kate Mahoney, 2018-10-19 Following the convulsions of 1968 one element uniting many of the disparate social movements that arose across Europe was the pursuit of an elusive authenticity that could help activists to understand fundamental truths about themselves their feelings aspirations sexualities and disappointments This volume offers a fascinating exploration of the politics of authenticity as they manifested themselves among such groups as Italian leftists East German lesbian activists and punks on both sides of the Iron Curtain Together they show not only how authenticity came to define varied social contexts but also how it helped to usher in the neoliberalism of a subsequent era

Children by Choice? Ann-Katrin Gembries, Theresia Theuke, Isabel Heinemann, 2018-05-22 During the 20th century medico technical advances such as the invention of the latex condom 1930 the arrival of the contraceptive pill on the free market 1960 61 and the birth of the first child conceived by in vitro fertilization 1978 contributed to the fact that in Europe and the USA the planning conceiving and making of children was increasingly perceived as a matter of individual and collective decision making Especially since mid century these societies underwent profound political economic and cultural evolutions In the realm of human reproduction

the relationship between the possible the desirable and the permitted had to be continually renegotiated This volume examines in nine chapters how thinking speaking and acting changed with regards to reproduction and family planning throughout the modern and post modern period Applying an international comparative perspective the study specifically focuses on the role of value changes underlying these transformation processes *Gender, Sex and the Shaping of Modern Europe* Annette F. Timm, Joshua A. Sanborn, 2016-03-10 Through a blend of history and historiography *Gender Sex and the Shaping of Modern Europe* provides a clear and concise introduction to gender history in the region The detailed examples and engaging language make this a useful overview for students not only of gender history but also of European history more widely as considerations of gender illuminate our understanding of historical change and individual experience In six thematic chapters that cover democracy and capitalism imperialism and war the authors explain how gender roles were socially constructed and how they influenced political and economic developments during the period This new edition has been thoroughly re edited and expanded to take account of ongoing methodological innovation and recent scholarship in the field The book also includes a brand new chapter on sexuality in the 21st century and extended material on Scandinavia The Mediterranean Alternative Sexualities Women s history and femininity *Gender Sex and the Shaping of Modern Europe* is a key text for all students of gender history and the history of modern Europe in general **Routledge Handbook on Middle East Cities** Haim Yacobi, Mansour Nasasra, 2019-07-01 Presenting the current debate about cities in the Middle East from Sana a Beirut and Jerusalem to Cairo Marrakesh and Gaza the book explores urban planning and policy migration gender and identity as well as politics and economics of urban settings in the region This handbook moves beyond essentialist and reductive analyses of identity urban politics planning and development in cities in the Middle East and instead offers critical engagement with both historical and contemporary urban processes in the region Approaching Cities as multi dimensional sites products of political processes knowledge production and exchange and local and global visions as well as spatial artefacts Importantly in the different case studies and theoretical approaches there is no attempt to idealise urban politics planning and everyday life in the Middle East which as with many other cities elsewhere are also situations of contestation and violence but rather to highlight how cities in the region and especially those which are understudied revolve around issues of housing infrastructure participation and identity amongst other concerns Analysing a variety of cities in the Middle East the book is a significant contribution to Middle East Studies It is an essential resource for students and academics interested in Geography Regional and Urban Studies of the Middle East
