*Sex and Sexuality in Modern Screen Remakes* Lauren Rosewarne, 2019-06-19 *Sex and Sexuality in Modern Screen Remakes* examines how sexiness, sexuality and revisited sexual politics are used to modernize film and TV remakes. This exploration provides insight into the ever-evolving and ever-contested role of sex in society and scrutinizes the politics and economics underpinning modern media reproduction. More nudity, kinky sex and queer content are increasingly deployed in remakes to attract and to titillate a new generation of viewers. While sex in this book refers to increased erotic content, this discussion also incorporates an investigation of other uses of sex and gender to help a remake appear woke and abreast of the zeitgeist, including feminist reimaginings and girl power makeovers, updated gender roles, female cast swaps, queer retellings and repositioned gazes. Though increased sex is often considered a sign of modernity, gratuitous displays of female nudity can sometimes be interpreted as sexist and anachronistic, in turn highlighting that progressiveness around sexuality in contemporary media is not a linear story. Also examined therefore are remakes that reduce the sexual content to appear cutting edge and cognizant of the demands of today's audiences

**Principal Murphy and the Baseball Jock - Gay BDSM Erotica** Keegan Kennedy, 2023-07-12 This sensual novella examines the unique bond between an Alpha high school principal and an obedient baseball jock. Principal Patrick Murphy is celebrating both his divorce and his 37th birthday. His natural chemistry with baseball jock Luke Bottoms leads to an unexpected romance which explores the world of dominance and submission, a place they can both call home

**Sexualised Masculinity** John Mercer, Clarissa Smith, 2025-02-10 *Sexualised Masculinity: Men's Bodies in 21st Century Media Culture* explores evolving portrayals of masculinity in contemporary media, focusing on the increasing eroticisation of the male body. This book examines how traditional and digital media, from films and television to social media platforms and fashion, have transformed the ways masculinity is represented and perceived. Through a wide array of case studies, it highlights how male bodies are now sites of erotic value, challenging long-standing norms and expectations. By exploring both global and local media, John Mercer and Clarissa Smith provide insights into the shifting landscape of gender and sexuality, offering a critical perspective on how masculinity is consumed, performed and commodified in today's world. This book is essential for students and scholars in fields such as gender studies, media studies, cultural studies and social history, and is particularly relevant for those interested in understanding the intersections of masculinity, media and sexuality in the 21st century

**Street Talk**, Best Gay Erotica, 2005

*The B Word* Maria San Filippo, 2013-04-12 Often disguised in public discourse by terms like gay homoerotic, homosocial or queer, bisexuality is strangely absent from queer studies and virtually untreated in film and media criticism. Maria San Filippo aims to explore the central role bisexuality plays in contemporary screen culture, establishing its importance in representation, marketing and spectatorship. By examining a variety of media genres, including art cinema, sexploitation cinema and vampire films, bromances and series television, San Filippo discovers missed moments where bisexual readings of these texts reveal a more

malleable notion of subjectivity and eroticism San Filippo's work moves beyond the subject of heteronormativity and responds to compulsory monosexuality where it's not necessarily a couple's gender that is at issue but rather that an individual chooses one or the other The B Word transcends dominant relational formation gay straight or otherwise and brings a discursive voice to the field of queer and film studies      **Moment of Pleasure** Manuel García, 2025-07-10

Masculine Unapologetic Carnal Moment of Pleasure is a collection of raw hyper real erotic short stories where men don't fall in love they fall into each other Manuel García writes about real men silent types rough hands cold glances Desire here doesn't simmer It strikes These stories are soaked in sweat chlorine poppers and the weight of what's left unsaid The settings are real the men even more so This is not fantasy This is what happens when men want men with all the grit hunger and force that comes with it In the title story a simple hookup becomes a charged ritual of power and release The narrator arrives sunglasses still on to find his host a tall dark haired guy in nothing but briefs and a yellow tank top There's small talk in the kitchen but neither man is here for words Shirts come off Eyes lock A grin forms The hallway is narrow the bedroom spare A battered blue sheet a drawer full of toys and the unmistakable smell of anticipation Are we still talking about my chest hair he says or are you ready to be ruined Lips part Bottles open A throat is taken deep and fast Then the flip the spit the stretch desire pressed into muscle and sweat No scripts Just bodies obeying instinct As the sheet slips off the mattress and the sound of skin on skin fills the room there's only one truth in this moment nothing else exists Some stories make you blush These make you remember      **Science and Homosexualities** Vernon A. Rosario, M.D., 2013-01-11

Science and Homosexualities is the first anthology by historians of science to examine European and American scientific research on sexual orientation since the coining of the word homosexual almost 150 years ago This collection is particularly timely given the enormous scientific and popular interest in biological studies of homosexuality and the importance given such studies in current legal legislative and cultural debates concerning gay civil rights However scientific and popular literature discussing the biology of sexual orientation have been short sighted in representing it as objective new scientific work This volume demonstrates that the quest for the biological cause of homosexuality and other sexualities is as old as the term itself These essays explore the active role experimental subjects played in shaping scientific theories of homosexuality and cultural perceptions of sexuality and sexual identity Finally this anthology studies the way in which this doctor patient interaction shaped not only scientific theories of homosexuality but also cultural perceptions and self identities as well Contributors include Garland E Allen Erin G Carlston Julian Carter Alice D Dreger Anne Fausto Sterling Margaret Gibson Stephanie Kenen Hubert Kennedy Harry Oosterhuis James Steakley Richard Pillard Jennifer Terry      **The Subcultures Reader** Ken Gelder, 2005

Revised and updated completely to include new research and theories this second edition of a hugely successful book brings together a range of articles from big names in the field classic texts and new thinking on subcultures and their definitions      [Man of Taste](#) Rob King, 2025-04-02 Radley Metzger was one of the foremost directors of adult film in America with credits including softcore

titles like *The Lickerish Quartet* and the hardcore classic *The Opening of Misty Beethoven*. After getting his start making arthouse trailers for Janus Films, Metzger would go on to become among the most feted directors of the porno chic era of the 1970s, working under the pseudonym Henry Paris. In the process, he produced a body of work that exposed the porous boundaries separating art cinema from adult film, softcore from hardcore, and good taste from bad. Rob King uses Metzger's work to explore what taste means and how it works, tracing the evolution of the adult film industry and the changing frontiers of cultural acceptability. *Man of Taste* spans Metzger's entire life: his early years in Manhattan's Washington Heights neighborhood; his attempt to bring arthouse aesthetics to adult film in the 1960s; his turn to pseudonymously directed hardcore movies in the 1970s; and his final years, which included making videos on homeopathic medicine. Metzger's career, King argues, sheds light on how the distinction between the erotic and the pornographic is drawn, and it offers an uncanny reflection of the ways American film culture transformed during these decades. Lavishly illustrated with rare photos and publicity images, this book paints a vivid picture of a filmmaker who channeled his artistic aspirations into some of the most disreputable movie genres of his day.

[The Advocate](#), 2003-05-27. The Advocate is a lesbian, gay, bisexual, transgender, and LGBT monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

*LGBTQ+ Visibilities in the Caucasus and Central Asia*. Jasmin Dall'Agnola, Cai Wilkinson, 2025-03-19. This book discusses the ongoing challenges of queer visibilities, activism, and knowledge production, and demonstrates that there are lessons to be learned from the experiences of queer people in the Caucasus and Central Asia. The idea for this book emerged from a desire to showcase queer scholarship in and on the region following a panel discussion about the visibility of queer communities in the post-Soviet space at the ASEES virtual convention in December 2021. The contributions in this book explore questions including, but not limited to: Under what circumstances and conditions does the Internet play a polarizing or liberalizing role in relation to sexual and gender diversities? What accounts for the divergent trajectories of LGBTQ rights recognition in different states and regions of the world? How is expanding access to the Internet and persistent government censorship and queerphobia changing LGBTQ identities, visibilities, and activism? Via their engagements with the questions outlined above, this book amply demonstrates not just the relevance of scholarship about LGBTQ communities and activism for both area studies and queer studies, but the ongoing need to interrogate existing political economies of knowledge production. The chapters in this book were originally published in *Central Asian Survey* and are accompanied by a new Foreword, an updated Introduction, an Epilogue, and an Afterword.
