Generation of Hope Carl Barrett,2024-11-27 In a day and age where society and culture are veering further away from the teachings of God s word in homes globally it is becoming more and more evident that there is a breakdown within the walls of family homes across this great land Undoubtedly these times of confusion in the home schools and communities are escalating each passing day creating more division and disheartenment With all the spiritual threats robbing people s children of Hope something within the walls of the home must change for the well being of these young ones today more than ever If parents and family leaders don t engage with their children and rein in these apparent issues they will continue to see a generation of people spiraling out of control This book God s Generation of Hope is going to reveal some heart wrenching and eye opening facts about how external forces are creeping inside the lives of families and creating a distance between the household and Almighty God Someone must take ownership immediately for the children s state of spiritual survival Parents action is needed today to instill the Living Hope in the lives of the younger generation like never before The Way Michelle Webster,2024-07-10 I think we can all agree that life is hard There seems to be no end to the troubles heartaches misfortune problems and craziness that come hand in hand with life here on earth The good news is there is help We are not meant to walk through life alone God did not abandon us in this crazy world to figure it all out on our own or did he leave us to fend for ourselves The God of the universe is always present and available to be known by all who seek him Sadly many of us waste our whole lives searching this world to fill us with what only God can and that which he has already freely provided to each of us We look for love answers help and even our own identities in all the wrong places We must stop wasting whatever precious time we have been given searching this world for answers it can t provide Through Jesus we already gained direct access to the source of all life the Creator of all things God is where our help comes from and his Word is where we get answers God provides with his unlimited resources and abundance to anyone who calls on him God s power is unmatched and it is infinite Nothing is impossible for God God has already empowered each of us with all the tools necessary for navigating this world he not only sent Jesus to show us the way but he also gave us his Holy Spirit as our personal helper God also armed us with the written manual for tackling all of life s many questions and providing guidance for overcoming all of life s challenges he gave us the Bible Through years of walking with the Lord and studying his Word the truths of the Bible and the way to everlasting life have never been clearer to me While I am learning and growing more in my faith every day I have discovered absolute truth in the Word of God truth that must be shared These truths God desires all people to know The

glorious treasures found in the Bible are invaluable and life giving and are meant for all people everywhere The truth and hope found in scripture is exactly what this world so desperately needs Join me as I attempt to unpack all the glorious truths and promises that God has for each of us found in scripture Wherever you are on your faith journey God has so much more to show you His great love for you has no end and his goodness and blessings are new each day He has a perfect plan and purpose for your life God is patiently waiting for you to choose to walk through life with him and discover all he has destined for you Truth is power and God s power is available to all who seek it Allow God to lead you in the way to everlasting Journey with him and you will discover a life well lived a life filled with true love joy hope peace and happiness

Berkhofer Jr.,2021-10-21 The great pre Civil War attempt of Protestant missionaries to Christianize Native Americans is found by Robert F Berkhofer Jr to be a significant point of contact with enduring lessons for American thought The irony displayed by this relationship he says did not really lie in the disparity between Anglo Saxon ideals and the actual treatment of first peoples but in the failure of all including the missions to see that both sides had ultimately behaved according to their cultural values Using the records of missions to sixteen tribes in various regions of the United States

Berkofer has carefully followed the hopeful efforts of sixty five years The ultimate outcome when the Civil War brought most of the missions to an end was only a nominal conversion of Native Americans despite the unflagging optimism of missionaries struggling against cultural barriers
