Terry Pratchett's Ethical Worlds Kristin Noone, Emily Lavin Leveret, 2020-08-05 Terry Pratchett's writing celebrates the possibilities opened up by inventiveness and imagination. It constructs an ethical stance that values informed and self-aware choices, knowledge of the world in which one makes those choices, the importance of play and humor in crafting a compassionate worldview, and acts of continuous self-examination and creation. This collection of essays uses inventiveness and creation as a thematic core to combine normally disparate themes such as science fiction, studies of the effect of collaborative writing and shared authorship, steampunk aesthetics, productive modes of ownership, intertextuality, neomedievalism, and colonialism, adaptations into other media, linguistics and rhetorics, and coming of age as an act of free will.

Twenty-First-Century Popular Fiction Bernice M. Murphy, 2017-12-04 This groundbreaking collection provides students with a timely and accessible overview of current trends within contemporary popular fiction.

Typically what you would expect from Terry Pratchett, couldn't put it down. Reader review: **A Slip of the Keyboard** Terry Pratchett, 2014-09-25

Terry Pratchett in his own words: With a foreword by Neil Gaiman, Terry Pratchett earned a place in the hearts of readers the world over with his bestselling Discworld series, but in recent years he became equally well known as an outspoken campaigner for causes including Alzheimer's research and animal rights. *A Slip of the Keyboard* brings together the best of Pratchett's non-fiction writing on his life, on his work, and on the weirdness of the world, from Granny Pratchett to Gandalf's love life, from banana daiquiris to books that inspired him, from getting started as a writer to the injustices that he fought to end. With his trademark humour, humanity, and unforgettable way with words, this collection offers an insight behind the scenes of Discworld into a much-loved and much-missed figure: man and boy, bibliophile and computer geek, champion of hats, orang-utans, and the right to a good death.
