*Terry Pratchett's Ethical Worlds* Kristin Noone, Emily Lavin Leveret, 2020-08-18 Terry Pratchett's writing celebrates the possibilities opened up by inventiveness and imagination It constructs an ethical stance that values informed and self aware choices knowledge of

the world in which one makes those choices the importance of play and humor in crafting a compassionate worldview and acts of continuous self examination and creation This collection of essays uses inventiveness and creation as a thematic core to combine normally disparate themes such as science fiction studies the effect of collaborative writing and shared authorship steampunk aesthetics productive modes of ownership intertextuality neomedievalism and colonialism adaptations into other media linguistics and rhetorics and coming of age as an act of free will      **Subcreation: Fictional-World**

**Construction from J.R.R. Tolkien to Terry Pratchett and Tad Williams** Stefanie Schult, 2017-01-26 The doctoral thesis argues that the term Subcreation with its revised and broadened definition in part differing from J R R Tolkien s original term sub creation may be used for the discussion of the making of fictional worlds in literary discourse The successful conception of a fictional world depends on the reader s willing suspension of disbelief This depends both on the author and his skilled composition of the world and all its aspects as well as on the reader s acceptance of this invented fictional world The author needs to create a narrative with an inner consistency which is crucial to achieving the effect of the reader s immersion in the fictional world The fundamental aspects that an author needs to realize to achieve successful Subcreation have been structured into and analysed in four categories Language and Linguistic Variation Physiopoeia Anthropoeia and Mythopoeia Furthermore this thesis shows that as contemporary examples of fantastic literature both Tad Williams s and Terry Pratchett s fictional worlds are successfully created through the realization of these aspects of Subcreation Apart from commenting on the success of the subcreative process this thesis also remarks upon the cultural influences both authors include in their writings While both may be considered Anglophone in a general categorization Pratchett s Discworld retains a feeling of Britishness that is not to be found in Williams s Otherland The thesis proposes several approaches to Subcreation that may be studied subsequently So for example it may be possible to determine the success of an author s Subcreation by collecting empirical data Apart from literary works this field of studies may also include other media      *Discworld and the Disciplines*

**Men At Arms** Terry Pratchett, 2008-12-16 PEOPLE OUGHT TO THINK FOR THEMSELVES THE PROBLEM IS PEOPLE ONLY THINK FOR THEMSELVES IF YOU TELL THEM TO Times are a changing in Ankh Morpork's Night Watch New recruits have been hired to reflect the city's diversity including Corporal Carrot technically a dwarf Lance constable Cuddy really a dwarf Lance constable Detritus a troll and Lance constable Angua a woman full moons aside What's more Captain Sam Vimes is getting married and retiring from the Watch For good Which is a shame because no one knows the streets of Ankh Morpork or its criminal underworld better than
