*My People Perish for Lack of Knowledge* I was between a rock and a hard place and my life had just seemed to stand still I was not sure of anything any longer in this world because nothing seemed to go right or work out This made me wonder if I had missed my position and or the calling of God in my life Could I be on a different course than God had planned for me Was I supposed to turn Left instead of Right at Albuquerque This book is much like an Owners Manuel for understanding How to become Victorious where we were given our Power of Attorney and how to walk in that Power every day of our lives When you begin to gain Knowledge then your Faith increases so that you will be able to speak unto that mountain that stands in your way and watch it be cast into the sea Matthew 21:21 Mark 11:23

*Selfish Boy* Beau Brown, Mpreg Romance Griffin McTarn is a selfish alpha His own needs are all that matter to him and he'd be the first person to tell you that When his real estate company is caught up in a scandal he hides out in Red Sky Texas with his mom He's bored to tears in the little town until he runs into sexy omega Jace Conner Jace is the opposite of Griffin He's warm and caring and he puts others first While Jace doesn't usually let alphas pick him up at work there's something about Griffin that makes him hard to ignore Jace agrees to a little fun on his lunch hour and just as everything begins to heat up disaster strikes The two men tumble into an unlikely relationship as Griffin tries to help Jace land on his feet Of course Griffin being the selfish alpha he is his motivation isn't kindness He simply wants to close the deal with Jace Jace knows the score and isn't foolish enough to think he actually matters to Griffin but when fate turns the table on them both men have to decide what it is they really want out of life Even if it means saying goodbye This 113 000 word story is book six in Beau's Red Sky Texas Mpreg Series It's filled with angst male pregnancy smexy times and all of the warm fuzzy feelings you expect from an Mpreg romance by Beau Brown

*Asteroid Answers to Ancient Calendar Mysteries* Herbert B. Stollorz, 2008-07-03 Ancient calendars found around the world are designed to end one point in time They communicate an urgent warning to everyone alive today Complex bronze and gold

clocks with multiple dials are found in museums around the world Why they have such advanced intricacy has stumped scientists for hundreds of years This book reveals why the ancients built so many pyramids observatories as well as those complex gold and bronze clocks with more than one dial It surprised me greatly to discover that their various complex designs in one way or another converge on 21 December 2012 It amazes me that ancient cultures separated by thousands of miles of geography and thousands of years in chronology agree so precisely in the cyclical nature of time history and prophecy which is history written in advance The most famous example is the Mayan Aztec calendar which ends its 25 626 year cycle on that momentous date Some researchers have also found 21 December 2012 in what is called the Bible Code Using very different research methods I discovered it in the Bible s book of Revelation and Daniel s prophecies It is one of the most important dates in the plan of God for all humanity      **Slagdrop Presents America... You're Welcome!** Andrew Hilbert, Slagdrop Presents America You re Welcome is the lovechild of blind jingoism and bullshit      *Realty and Building* ,1985      *Hidden in Contradiction* Jeff McSwain,2023-09-22 Does God s grace grab you and stir you to purposeful Spirit filled living Or is the gospel that you hear and preach big on belief and short on embodiment Do you see a need for change whether personal ecclesial or social that transcends us righteous vs them wicked polarizations Beginning with every person s participation in Christ as a keystone to creation Jeff McSwain introduces the vibrant reality of Trinitarian community and shows us the dangers of losing sight of the belovedness we share as humans hidden with Christ in God Avoiding simplistic categories McSwain exalts the total goodness of every person in this world by virtue of creation in Christ while also acknowledging the simultaneous contradiction the total depravity of every person by virtue of the fall If ignoring our human duplicity contributes to relational fractures at every level McSwain s dimensional view of human agency urges us to embrace the redemptive truth of our identity in Christ and to refuse our false destructive selves that have been crucified with Christ Filled with scriptural exegesis and practical illustrations that pastors and teachers will especially appreciate this project is a refreshing application of Christology to anthropology and everyday life an inspiring work of systematic theology aimed at systematic change      *The Century Cyclopedia of Names* Benjamin Eli Smith,1894      **Catalog of Copyright Entries.
