

Ramblings of a Targeted Individual

Due to secret remote mind control technologies and lethal microwave weapons successfully experimenting on unsuspecting families and communities, through the past few decades, all of humanity is in critical danger. This Global Crisis Can't Remain Unnoticed Without Lethal Consequences for All of Humanity! I used to own a nice country home. Now I'm homeless and facing this alone... fighting for our lives in a world gone wrong, while crying for help in an unheard song. I hope you hear me soon.

Lupus Cause Reiterated

CLICK HERE to read up on the crisis we are experiencing, so that you can better understand my blog entries.

I'd like to re-declare that my experiences, since 2006 have proven to me that LUPUS is a direct result of continuous mild levels of remote electronic microwave weapon attacks and whatever other types of toxic energies, poisons and drugs that are being inflicted upon Targeted Individuals.

This crisis is HUGE and growing, due to lack of public awareness! PLEASE help spread the word.

"Primary" Targeted Individuals are being hit harder and with gang stalking...etc., but there are also THOUSANDS of other Targeted Individuals who are not even aware that their terminal illnesses are man made intentions for experimentation and murder.

I've undergone remote electronic attacks today... to the point of my whole body feeling like it is on fire and pain in my head, joints and arms. I was also swarmed by more than just a few organized stalking group members, as I tried to mail requests for help. I have been told by a Post office employee that the UK and Switzerland do not accept registered mail. I do not know if my mailings will reach their destinations with the exact letters I have sent out.
