### **IMPORTANT: READ SAFETY RULES AND INSTRUCTIONS CAREFULLY**

**Warning:** This unit is equipped with an internal combustion engine and should not be used on or near any unimproved forest-covered, brush-covered or grass-covered land unless the engine's exhaust system is equipped with a spark arrester meeting applicable local or state laws (if any). If a spark arrester is used, it should be maintained in effective working order by the operator. In the State of California the above is required by law (Section 44-62 of the California Public Resources Code). Other states may have similar laws. Federal laws apply on federal lands. A spark arrester for the muffler is available through your nearest engine authorized service dealer or contact the service department, P.O. Box 368022 Cleveland, Ohio 44136-9722.

**Farm Mechanics ...** ,1929 **Cattle In The Cold Desert, Expanded Edition** James A. Young,B. Abbott Sparks,2002-08-01 A sophisticated ecological analysis of ranching in northern Nevada featuring a new chapter and new epilogue by the authors First published in 1985 Cattle in the Cold Desert has become a classic in the environmental history of the Great Basin brilliantly combining a lively account of the development of the Great Basin grazing industry with a detailed scientific discussion of the ecology of its sagebrush grassland plant communities The volume traces the history of white settlement in the Great Basin from about 1860 along with the arrival of herds of cattle and sheep to exploit the forage resources of a pristine environment and through the history of John Sparks a pioneer cattleman illustrates how the herdsmen interacted with the sagebrush grasslands of the cold desert West As the story unfolds on two levels that of the herdsmen adapting their livelihood to the challenging conditions of the Great Basin's scanty forage aridity and fierce winters and that of the fragile ecology of the desert plant communities responding to the presence of huge herds of livestock we see the results of a grand experiment initiated by men willing to venture beyond the limits of accepted environmental potential to settle the Great Basin as well as the often ruinous consequences of the introduction of domestic livestock into the plant communities of the region The result is a remarkably balanced and insightful discussion of the grazing industry in the Intermountain West This new paperback edition includes an additional chapter that addresses the impact of wild mustangs on the Great Basin rangelands and an epilogue that discusses changes in rangeland management and in rangeland conditions especially the impact of recent wildfires As concern over the future of the Great Basin's unique rangeland environment and its principal agricultural industry grows Cattle in the Cold Desert remains essential reading for everyone who cares about this underappreciated region of the American West **Popular Science** ,1954-01 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **Popular Science** ,1954-02 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **Popular Mechanics** ,1955-11 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it's practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle **Popular Mechanics** ,1954-01 Popular Mechanics inspires instructs and influences readers to help them
