heritage and increasingly larger geographic areas embracing both rural and urban landscapes While the origin of the idea of cultural landscapes can be traced to the late 19th century Euro American scholarship it came to global attention after 1992 following its adoption as a category of site by the UNESCO World Heritage Committee Today cultural landscape practice has become increasingly complex given the expansion of the values and meanings of heritage the influence of environmental challenges such as human induced climate change technological advancements and the need to better understand and interpret human connections to place and landscapes The aim of this handbook is to strike a balance between theory and practice which we see as inseparable while also seeking to achieve a geographical spread disciplinary diversity and perspectives and a mix of authors from academic practitioner management and community backgrounds

Transfer of Undertakings Incomes Data Services,2011-03 When a business is sold by one employer to another or the responsibility for providing a service transfers from one employer to another what happens to the dedicated workforce Do the employees concerned have the right to work for the new employer And if so do they retain the contractual and other employment rights that they enjoyed prior to the transfer or is the new employer entitled to vary their contracts in order to harmonise their terms and conditions with those of any existing employees These are the main issues with which the Transfer of Undertakings Protection of Employment Regulations 2006 SI 2006 246 TUPE the focus of this Handbook are concerned Back cover

Handbook of Space Resources Viorel Badescu,Kris Zacny,Yoseph Bar-Cohen,2023-04-27 Earth has limited material and energy resources while these resources are virtually unlimited in space It is only a matter of time before planetary resources are mined and used in situ to sustain human and robotic exploration or returned to Earth for commercial gain This book covers a number of aspects related to space resources In particular subjects related to mission concepts exploration approaches mining and extraction technologies commercial potential and regulatory aspects of space resources are covered in detail This book is therefore a good resource for readers who seek background and deeper understanding of space resources related activities

Information Visualization Robert Spence,2014-11-03 Information visualization is the act of gaining insight into data and is carried out by virtually everyone It is usually facilitated by turning data often a collection of numbers into images that allow much easier comprehension Everyone benefits from information visualization whether internet shopping investigating fraud or indulging an interest in art So no assumptions are made about specialist background knowledge in for example computer science mathematics programming or human cognition Indeed the book is directed at two main audiences One comprises first year students of any discipline The other comprises graduates again of any discipline who are taking a one or two year course of training to be visual and interaction designers By focusing on the activity of design the pedagogical approach adopted by the book is based on the view that the best way to learn about the subject is to do it to be creative not to prepare for the ubiquitous examination paper The content of the book and the associated exercises are typically used to support five creative design exercises the final one being a group project mirroring the activity of a

consultancy undertaking a design not an implementation for a client Engagement with the material of this book can have a variety of outcomes The composer of a school newsletter and the applicant for a multi million investment should both be able to convey their message more effectively and the curator of an exhibition will have new presentational techniques on their palette For those students training to be visual interaction designers the exercises have led to original and stimulating outcomes
