Rosalie Marino Demonte,Arthur A. Demonte,2009-10-26 The Wooden Spoon is in essence an Italian Roots The story traces the arrival of an Italian family from Sicily to America Using actual historical events as a backdrop we follow the family from being immigrants to fully mainstream Americans without them ever losing their rich Italian culture Because the book is based on unverified stories told around the kitchen table hence the changing of surnames as well as actual events The Wooden Spoon is a compelling blend of fiction and non fiction a multi cultural experience within a semi autobiographical memoir In many respects it is also a womans story as well as the primary characters are women The books title is derived from the women cooking in the kitchen with an ever present wooden spoon or at the kitchen table with coffee gossiping away Youll watch Maria and Rosarios six children grow and raise their own families their eldest daughters the authors mother and grandmother youngest child the author meeting the man shell marry at the books conclusion Along the way the reader will bond with the family making them their own Theyll share countless laughs and spill many tears as they spend 54 years with the family Another property of the book is that it embraces the beloved aspects of the Godfather type stories with very very

little Mafia references It was the psychodynamics of an Italian family which sustained those stories Here the family IS the story If you liked Moonstruck you ll love The Wooden Spoon **The Texas Railway Journal** ,1914 Chase's Calendar of Events 2025 Editors of Chase's,2024-09-09 Find out what s going on any day of the year anywhere across the globe Since 1957 Chase s Calendar of Events lists everything worth knowing and celebrating for each day of the year 12 500 holidays national days historical milestones famous birthdays festivals sporting events and more One of the most impressive reference volumes in the world Publishers Weekly From national days to celebrity birthdays from historical milestones to astronomical phenomena from award ceremonies and sporting events to religious festivals and carnivals Chase s is the must have reference used by experts and professionals a one stop shop with 12 500 entries for everything that is happening now or is worth remembering from the past Completely updated for 2025 Chase s also features extensive appendices astronomical data major awards perpetual calendar as well as an exclusive companion website that puts the power of Chase s at the user s fingertips 2025 is packed with special events and observances including National days and public holidays of every nation on Earth Scores of new special days weeks and months such as the International Day for the Arabian Leopard Feb 10 American Sparkling Wine Day July 3 or Reduce Your Lawn Day May 20 Birthdays of new world leaders lauded authors sports stars and breakout celebrities Info on milestone anniversaries such as the 250th anniversary of the beginning of the Revolutionary War the 250th birth anniversary of Jane Austen the 150th birth anniversary of Mary McLeod Bethune the 50th anniversary of the cult filmThe Rocky Horror Picture Show the 25th anniversary of the first human habitation of the International Space Station and much more Information on such special events as the International Year of Glaciers Preservation and Expo 2025 And much more **Turning the Tables** ,2011 Turning the Tables *Skiing* ,1999-01 Men's wear.
