

## Staff Station

Staff Stations are located in a room or on a floor where staff members may be working: Staff Lounges, Dictation, Lockers, and Staff Conference Rooms. The station acts as a hands free intercom between that specific room/area and the console.

## Staff Terminal

The Staff Terminal is a device that functions as a patient or procedure room communications tool while providing staff with a touchscreen to initiate an instantaneous notification of an in room need. Additionally it may be used as a functional nurse call console or duplex intercom station.

## Nurse Call Console

The Nurse Call Console has a colored LCD screen and is used to communicate with patients and staff from the console to speaker-equipped stations. It can also be used to set a staff level service request.
