The Popular Handbook of Archaeology and the Bible Joseph M. Holden, Norman Geisler, 2013-08-01 From two leading Christian apologists here is a fascinating survey of the most important Old and New Testament archaeological discoveries through the ages Biblical archaeology has always stirred excitement among believers and curiosity among unbelievers The evidence dug up with a spade can speak volumes and serve as a powerful testimony of the reliability of Scripture Norm Geisler and Joe Holden have put together an impressive array of finds that confirm the biblical peoples and events of ages past In a user friendly format written in popular style they examine the latest finds and explain their significance include more than 150 photographs provide an instructive chart of artifacts along with fast facts sample a variety of finds papyri inscriptions scrolls ossuaries and more If readers are looking for just one book to cover this topic both concisely and comprehensively this is it

A Jigsaw Guide to Making Sense of the World Alex McLellan, 2012-10-03 If you feel like you're sitting at the table of life staring at a confusion of puzzle pieces Alex McLellan has a word of wisdom In this book he explores competing views of truth and the nature of doubt urging us to proceed in piecing the world together in the faith that the truths of Christianity will resonate with life

In a World Of...Friends, Foes & Fools James Merritt, 2008-08 One of the wisest men who ever lived is writing a letter of advice to his children and you can look over his shoulder The Proverbs of Solomon take on a new meaning when read as a letter from father to son The advice of the wise old king is invaluable to today's fathers struggling with the pressures of home and career responsibilities travel broken families and other realities of modern life In Friends Foes and Fools Dr James Merritt shows why no book ever written has been a better or more practical self help guide than Proverbs in helping fathers guide their children toward the right choices in life and away from the wrong ones Dad if you want to read a book that will change you and your family read this one Dr John C Maxwell Founder INJOY Dr James Merritt is the Senior Pastor and Founder of Cross Pointe The Church at Gwinnett Center located in Duluth Georgia and hosts the international broadcast ministry Touching Lives which airs in all 50 states and in 122 countries around the world The ministry also reaches literally every continent through the world wide web at www.touchinglives.org Dr Merritt and his wife Teresa reside just outside Atlanta Georgia

Hope's Reason: a Journal of Apologetics Vol. 2 No. 1 Stephen Bedard, 2011-09-28 In an increasingly skeptical world there is now more of a need than ever for quality apologetic resources defending the Christian faith The purpose of this journal is to bridge the gap between the academy and the church equipping pastors and interested laypeople to present the Christian faith to an unbelieving world

To Believe or Not to Believe Jack Perkins, DMin. LADC, 2022-10-12 Research has shown there is a great divide between the church and the unaffiliated to include those who tend toward atheism This concern inspired the author to step away from full time ministry to work as a counselor in a state owned and operated residential facility to better understand the thought processes of those who are not invested in Christianity He became aware of an us versus them mindset held by

some Christians this attitude has resulted in Christians drawing a tight circle around themselves that has created a barrier for reaching those not affiliated with the church There are several consequences First it has resulted in a deep decline in baptisms and church affiliation for churches less than 50 percent of Americans surveyed are members of a church Second it has resulted in Christians believing there is no hope for those outside the church Third the gospel presentation utilized by many is to continually make jabs at the unaffiliated bordering on a scare tactic Too many churches have attempted to use revival era styles of evangelism contemporary approaches and or a social perspective however the chasm has widened This book takes an in depth look at the philosophical systems that keep people from embracing Christianity The author also provides a theological model for helping others understand a theological base for the Christian worldview The greatest contribution of the book is the way it offers hope for reaching the unaffiliated and provides practical ways of connecting with those outside the church

No More Bullies Frank E. Peretti, 2003-06-17 If you've ever been there you've never forgotten how it feels It's being undersized or oversized or less than beautiful It's knowing you are vulnerable and that someone is ready to take advantage of your weakness It's the fraternity you never wanted to join the fellowship of the wounded spirit And Frank Peretti is a member too In this powerful book Frank Peretti shares his deeply personal story of growing up different and the persecution he suffered because of it And from this reservoir of memories he urges those being abused to speak up and seek help those in authority to take notice and action the strong kids to stand up and protect the weak not prey upon them all of us to stop thinking of abuse as normal or as kids being kids This groundbreaking work shows how we all bullies and victims alike can find both healing and forgiveness from the anguish and torment associated with the growing epidemic of bullying

Old Texts Through New Eyes Dallas R. Burdette, 2009-03 Christians frequently slaughter freedom of conscience with fanatical dogmatism It is not uncommon for various fellowships of God's people to lay an embargo on freedom in favor of their own exclusive doctrine or understanding of the Scriptures One objective of this book is to set Christians free from sectarianism The views set forth in this book are not bound by party ties It is my desire that these writings will assist Christians in their desire to escape the prevailing forms of radicalism manifested by so many sincere and devout believers In my fifty eight years of preaching and teaching I have witnessed that men and women for the most part are afraid of freedom This volume examines the philosophy of what we teach is true and what others teach is false Among some bodies of believers freedom of investigation is rigidly shackled The chapters in this book seek to defuse the attitude that the one who refuses to comply with the status quo is no longer a brother in Christ The diversity of the chapters in this book refutes the prevailing opinions of many Christians my opinion is the only sound one flawless and incontestable Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website He has developed a keen interest in promoting unity among God's people through a more accurate

reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary

Nelson's Illustrated Guide to Religions James A. Beverley, 2009-05-17 A comprehensive introduction to the religions of the world analyzed from a Christian perspective Nelson's Illustrated Guide to Religions covers more than 200 religions sects and cults most of them ones the reader might encounter on any given day It is the most complete and up to date Christian guide to world religions Perfect for the student as well as the layperson Written by leading expert in religions James A Beverley

Unchaining the Lion Caleb Eissler, 2015-10-16 Does God exist How can a good God allow pain and suffering Can we trust the Bible Is Jesus a copy of earlier pagan gods Is Jesus the only way to God What does the Bible actually say about homosexuality transgenderism and abortion Did Jesus actually rise from the dead After living as a strong Christian for most of his life Caleb Eissler began to seriously doubt the very beliefs he had so tightly held to When he entered college he began wrestling with these very questions Eissler realized that Christianity had to answer these questions and more if it was to be taken seriously Ready to walk away from his faith if Christianity was found to be false he embarked on a journey to find the truth After years of research Eissler's faith wasn't just sustained but transformed He not only found the claims of Christianity to be true but also to be even more amazing than he had ever imagined Eissler's doubt research and soul searching fueled a new passion to help others rationally think through the same questions he had encountered Unchaining the Lion is the culmination of Eissler's research and passion Unchaining the Lion sets out to bridge the gap of misunderstanding between Christianity and secular culture by laying out the claims and evidence for Christianity while addressing countless objections and questions along the way To non believers Eissler provides a coherent and easy to follow explanation of the beliefs and the defenses of Christianity while challenging them on their presuppositions about the world the Bible and God To Christians he provides a solid and deep defense of the claims of their faith that will surely help any believer Unchain yourself from the shackles of doubt towards Christianity as Eissler shares a truth that the world must hear

Conversational Evangelism Norman L. Geisler, David Geisler, 2009 Witnessing used to involve laying out the truth and guiding a person to understand and accept it But the awareness of basic Christian principles has changed and so have the needs of pre believers With a passion for people authors David and Norman Geisler share an engaging conversational approach to evangelism as they address What makes old models of witnessing ineffective in today's culture Why evangelism must start with relational pre evangelism How to ask questions listen attentively and understand what someone believes Ways to identify the real barriers to belief in order to build a bridge to truth How to keep dialogue going with different personality types This refreshing practical resource is ideal for churches and individuals Readers will discover how God uses their everyday encounters for great things when they switch from trying to witness effectively to effectively being a witness through communication and compassion

Mind the Gap, 2009

The Wounded Spirit Frank Peretti, 2000-11-13 If you've

ever been there you've never forgotten. The feeling is as haunting and familiar as the smell of a junior high school locker room. It's the feeling of being undersized or oversized or klutzy or less than beautiful. Of being a nerd or a geek or just somehow different. It's knowing you are vulnerable and someone is ready and willing to take full advantage of your weakness by making your life miserable. It's the fraternity you never wanted to join, the fellowship of the wounded spirit. And bestselling novelist Frank Peretti is a member too. This book is the haunting true story of pain Frank Peretti never forgot but never until recently shared with the world. It's the story of growing up with a medical condition that left him disfigured. A series of surgeries and the slow miracle of answered prayer took care of the deformity but not the underdeveloped frame or the excruciating reality of being different. And it was for these petty crimes that Peretti was prosecuted every day at school, especially in gym class but also in the halls on the school grounds even in his own neighborhood. No wonder he found himself relating to movie monsters who were hated but also feared and who eventually exacted a bloody revenge on their tormentors. In Peretti's case deliverance eventually came through time through prayer through a teacher's caring intervention and his own willingness to seek help. But he has never forgotten what life was like at the bottom of the junior high food chain. And from the reservoir of those agonizing memories he sends a compelling message to victims, to bullies, and to authorities who have the power to intervene that it's never OK for the strong to abuse the weak. And that we allow such abuse at the expense of our souls and our very civilization. Especially in the wake of the massacre at Columbine High School perpetuated by two troubled but also tormented outsiders, this message takes on haunting resonance. Frank Peretti believes we cannot afford to overlook the continuing reality of wounded spirits not only in our schools but in our homes, churches, and workplaces. His approach is both tender and tough as he issues a ringing call for a change in attitude. It's a call for all of us to stop thinking of abuse as normal even among kids. It's a call for the strong to stand up and protect the weak, not prey upon them. It's a call for those in authority to pay attention to the violence being done to the vulnerable in the midst of our everyday lives and to take action to help. Most of all, it's a call for bullies and victims alike, many of us are both, to seek the healing and forgiveness offered in Jesus Christ. For that healing is really the heart of this book, the only reality that can break the natural cycle of victimization and abuse. Only in Christ, Peretti reminds us, is there hope for the wounded spirits, but that hope is powerful enough to change everything.

One God, One Truth Dwaine L Canova, 2004-09. A dad answers his young adult son's challenging questions about Christianity. His answers present evidence and simple explanations useful to anyone who asks. Why are you a Christian?

Ravi Zacharias Recommendations Introduction

In today's digital age, the availability of Ravi Zacharias Recommendations books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ravi Zacharias Recommendations books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ravi Zacharias Recommendations books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ravi Zacharias Recommendations versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ravi Zacharias Recommendations books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ravi Zacharias Recommendations books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ravi Zacharias Recommendations books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Ravi Zacharias Recommendations books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ravi Zacharias Recommendations books and manuals for download and embark on your journey of knowledge?
