that assessment has on the students themselves This book provides a practical guide on the effective use of assessment It includes the use of assessment tools and pedagogical design that help students deepen their learning Major issues on assessment and some excellent examples are presented as a useful resource to university teachers in enhancing teaching and students learning It will also be found useful by teachers when implementing various assessment methods School administrators and teaching development professionals will find the book useful when making decisions related to learning and teaching issues in their institutions

So You Want to Be a Doctor? David Metcalfe,Harveer Dev,Michael Moazami,2021 Applying to medical school is like asking someone to marry you This might seem like an exaggeration however over your life you will spend more hours working than you will spend awake with your life partner Like marriage being a doctor will change who you are influence where you live and affect what you can do with your life For the right person this can be a wonderful life affirming experience Otherwise divorce from a medical career can be messy painful and upsetting
