authors **Moonlight & Mayhem** Wynn Valentine, 2024-10-03 An old mansion a family curse and a sarcastic heroine who just wants to sell the place and get on with her life what could possibly go wrong Sol Davenport's life was already a mess Getting laid off and inheriting a creaky possibly haunted mansion from her eccentric great aunt was just the cherry on top With plans to clean up sell the property and hightail it back to normalcy Sol rolls into the eerie halls of Davenport Manor armed with little more than a suitcase and a healthy dose of sarcasm But the mansion has other plans Between shifting rooms creaky doors and a parade of snarky ghosts each with their own agenda escaping this place isn't going to be so simple And then there's the talk of a family curse and a missing moonstone pendant that could be the key to freeing the restless spirits haunting the estate With the help and occasional hindrance of her ghostly relatives a quirky town historian and a handsome handyman who seems to know more than he lets on Sol must dig into her family's tangled past confront secrets buried for generations and most importantly survive long enough to uncover the truth Moonlight Mayhem is the first in The Haunted Inheritance Mysteries a cozy paranormal mystery series filled with witty banter quirky characters and a hint of magic Will Sol manage to untangle the mystery of the mansion or will the family curse claim another victim Find out in this enchanting series starter that mixes spooky chills with small town charm *Three Times Dead* Jenny Paliska, 2014-12-16 Mary and Younee leave for Australia in the 1840s to begin a new life On the voyage a murder is committed and the captain encourages Mary to solve the crime An inspection of the deceased's life portrays him as an unsavoury character with a sordid past Mary establishes half the ship wants him dead and the other half have their own reasons to escape to Australia A ship full of secrets Mary has two days to solve the crime with its numerous twists and turns But Mary has a secret Her best friend Younee is a gremlin who can read her mind run faster than any other creature on earth and hide on her shoulder under her hair On numerous occasions he has stopped her death on the streets of London with some humorous results but their meeting was not accidental Someone or something is playing with their lives Mary doesn't have a past at least one that she can remember causing Younee to ensure Mary undergoes a stage of self awareness Once Mary reviewed her position in society being a waif ranks awfully low she realised that without money she didn't have a future and the effect of old money would be lessened by distance so they emigrate to Australia This novel is a witty and humorous look at human nature solving crimes and unlikely friendships By the time you finish the last page you will have been witness to a dastardly murder in England a devious death on the voyage a shipwreck on a coral reef and the establishment of the Unique Detective Agency in Sydney and be ready to read book 2 *Spectacle of Deformity* Nadja Durbach, 2009-10-13 In 1847 during the great age of the freak show the British periodical Punch bemoaned the public's prevailing taste for deformity This vividly detailed work argues that far from being purely exploitative displays of anomalous bodies served a deeper social purpose as they generated popular and scientific debates over the meanings attached to bodily difference Nadja Durbach examines freaks both well known and obscure including the Elephant Man Lalloo the Double Bodied Hindoo Boy a set of conjoined twins advertised as

half male half female Krao a seven year old hairy Laotian girl who was marketed as Darwin's missing link the Last of the Mysterious Aztecs and African Cannibal Kings who were often merely Irishmen in blackface Upending our tendency to read late twentieth century conceptions of disability onto the bodies of freak show performers Durbach shows that these spectacles helped to articulate the cultural meanings invested in otherness and thus clarified what it meant to be British at a key moment in the making of modern and imperial ideologies and identities
