Charismatic Renewal and Pentecostalism Isidore Iwejuo Nkwocha, 2021-09-30 The Holy Spirit is a sine qua non in the life of the church and in all Christian life and experience The importance of the experiential and praxis oriented theology of the Charismatic Renewal and Pentecostalism cannot be overemphasized in the

realization of the potentials of a Spirit animated church In fact Charismatic Renewal in the Nigerian Catholic Church is an essential part of the changing face of the Catholic Church in Nigeria This work is therefore using Charismatic and Pentecostal theology and praxes to argue for the renewal of the Nigerian Catholic Church It avers that the praxis oriented and experiential theology of the Charismatics and Pentecostals which characterize them as Spirit filled groups and churches are enabling the Nigerian Catholic Church to realize the potentials of a Spirit driven church It upholds that the Nigeria Catholic Church through the Nigerian Catholic Charismatic Renewal which is an indispensable part of the changing face of the Catholic Church in Nigeria has wittingly or unwittingly begun the renewal of her pneumatological ecclesiological and liturgical doctrines and practices in accord with those of a truly Spirit animated church *Topographies of African Spirituality* Afe Adogame, Ebenezer Obadare, Wale Adebani, 2025-01-31 This book explores African spirituality inside and outside of religion investigating African traditions and perceptions in the study of spirituality across Africa and the African diaspora It provides an interdisciplinary reflection on key issues in the field and sheds light on everyday experiences In particular the volume celebrates the work and mentorship of Professor Jacob K Olupona a leading figure in the study of African spiritualities religions in Africa and methodological approaches to the study of religion With chapters by an impressive range of scholars from institutions across Africa Europe and North America this book makes a valuable empirical and theoretical contribution to the development of African religious studies The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Nigerian Pentecostalism and Development Richard Burgess, 2020-04-06 This book examines the contributions both intentional and unintentional of Nigerian Pentecostal churches and NGOs to development studying their development practices broadly in relation to the intersecting spheres of politics economics health education human rights and peacebuilding In sub Saharan Africa Pentecostalism is fast becoming the dominant expression of Christianity but while the growth and civic engagement of these churches has been well documented their role in development has received less attention The Nigerian Pentecostal landscape is one of the most vibrant in Africa Churches are increasingly assuming more prominent roles as they seek to address the social and moral ills of contemporary society often in fierce competition with Islam for dominance in Nigerian public space Some scholars suggest that the combination of an enchanted worldview an emphasis on miracles and prosperity teaching and a preoccupation with evangelism discourages effective political engagement and militates against development However *Nigerian Pentecostalism and Development* argues that there is an emerging movement within contemporary Nigerian Pentecostalism which is becoming increasingly active in development practices This book goes on to explore the increasingly transnational approach that churches take often seeking to build multicultural congregations around the globe for instance in Britain and the United States *Nigerian Pentecostalism and Development* Spirit Power and Transformation will be of considerable interest to scholars and students concerned with

the intersection between religion and development and to development practitioners and policy makers working in the region
