Lawrence, Machiavelli, 2023-11-16 180 Masterpieces of World Literature Vol 2 serves as a remarkable anthology that convenes a diverse array of literary voices from across the globe showcasing an extraordinary range of styles and themes. This collection is a testament to the timeless narratives and innovative forms that define the global literary landscape. From the romantic ideals and realist depictions of personal and societal struggles to profound philosophical musings, these works traverse the literary spectrum with fluid grace. Each piece, whether it be the stirring exploration of human emotion or a riveting tale of adventure, contributes to a mosaic of universal truths and experiences that resonate across cultures and epochs. The anthology is a collaboration of illustrious authors whose works have significantly shaped global literature. The presence of Romantic, Victorian, and Modernist figures along with classical and contemporary thinkers intertwines various literary movements that marked historical and cultural transformations. This compilation includes narratives that echo the sentiments of Enlightenment thinkers and Romantic individualists and tales rich with the intricate details of Realism. The contributors, including the likes of Dostoyevsky, Austen, and Woolf, draw from distinct cultural backgrounds, offering narratives that illuminate the myriad facets of the human experience. For readers seeking a journey through world literature's vast and varied landscape, this anthology offers a splendid opportunity to engage with an impressive chorus of literary voices. It invites readers to ponder the profound questions and explore the myriad styles presented by some of literature's most revered figures. Beyond mere entertainment, this volume promises an enriching educational venture, fostering a deeper appreciation for the complexities and beauties of written expression across cultures and centuries.

Notes of the Mexican War, 1846-1848 J. Jacob Oswandel, 2010-07-27 In December 1846 John Jacob Oswandel or Jake as he was often called enlisted in the Monroe Guards which later became Company C of the First Pennsylvania Volunteer Regiment Thus began a twenty month journey that led Oswandel from rural Pennsylvania through the American South onward to the siege of Veracruz and finally deep into the heart of Mexico Waging war with Mexico ultimately realized President James K Polk's long term goal of westward expansion all the way to the Pacific Ocean For General Winfield Scott the victorious Mexico City campaign would prove his crowning achievement in a fifty three year military career but for Oswandel the grand adventure of our lives was about patriotism and honor in a war that turned this twenty something bowman into a soldier Notes of the Mexican War 1846 1848 is the quintessential primary source on the Mexican War From Oswandel's time of enlistment in Pennsylvania to his discharge in July of 1848 he kept a daily record of events often with the perception and intuition worthy of a highly ranked officer In addition to Oswandel's engaging narrative Timothy D Johnson and Nathaniel Cheairs Hughes Jr provide an introduction that places Oswandel's memoir within present day scholarship They illuminate the mindset of Oswandel and his comrades who viewed the war with Mexico in terms of Manifest Destiny and they give insight into Oswandel's historically common belief in Anglo Saxon superiority views that would bring about far worse consequences at the outbreak of the American Civil War a dozen years later As historians

continue to highlight the controversial actions of the Polk administration and the expansionist impulse that led to the conflict
Notes of the Mexican War 1846-1848 opens a window into the past when typical young men rallied to a cause they believed
was just and ordained Oswandel provides an eyewitness account of an important chapter in America's history *Railroad
