Conservative Bias Bryan H. Thrift, 2016-09-27 *Conservative Bias* examines one of the most notorious figures of modern American politics Jesse Helms Thrift shows that Helms was not merely a right wing demagogue but rather a brilliant media mastermind who built a national movement from a little television soundstage in Raleigh Neil J Young Princeton University In this careful thoughtful and thoroughly researched study Bryan Hardin Thrift provides the first comprehensive study of Jesse Helms s long career as a conservative journalist and television ideologue prior to his long tenure as a U S senator from North Carolina William A Link author of *Righteous Warrior Jesse Helms and the Rise of Modern Conservatism* Traces a little known but pivotal phase of Helms s pre senatorial career and explains how the future New Right leader used the power of local television broadcasts in the 1960s to forge a new ideology that moved the nation to the right Daniel K Williams author of *God s Own Party Before Bill O Reilly and Glenn Beck there was Jesse Helms* From in front of a camera at WRAL TV Helms forged a new brand of southern conservatism long before he was a senator from North Carolina As executive vice president of the station Helms delivered commentaries on the evening news and directed the news and entertainment programming He pioneered the attack on the liberal media and his editorials were some of the first shots fired in the culture wars criticizing the influence of immoral entertainment Through the emerging power of the household television Helms established a blueprint and laid the foundation for the modern conservative movement Bryan Thrift mines over 2 700 WRAL TV Viewpoint editorials broadcast between 1960 and 1972 to offer not only a portrait of a skilled rhetorician and wordsmith but also a lens on the way the various and at times competing elements of modern American conservatism cohered into an ideology couched in the language of anti elitism and traditional values Decades prior to the invention of the blog Helms corresponded with his viewers to select refine and sharpen his political message until he had reworked southern traditionalism into a national conservative movement The realignment of southern Democrats into the Republican Party was not easy or inevitable and by examining Helms s oft forgotten journalism career Thrift shows how delicately and deliberately this transition had to be cultivated Bryan Hardin Thrift teaches history at Johnston Community College **TV Guide** ,1997 **SRDS Circulation** ,2008 *The Working Press of the Nation* ,2002 **Eleanor Roosevelt on Screen** Angela S. Beauchamp,2023-11-16 Eleanor Roosevelt recognized the power of film and television especially as educational tools to reach young people She hosted three political talk shows in the 1950s and early 1960s often appearing in guest spots to promote the United Nations Democratic candidates and progressive issues with Ed Sullivan Bob Hope Frank Sinatra Mike Wallace and Edward R Murrow In the 1930s and 40s fan magazines such as Photoplay and Modern Screen published her opinions on the movies and she boldly appeared in an interventionist prologue to the 1940 anti Nazi film *Pastor Hall* During World War II she contributed to civil defense films and became a staple joke in Hollywood comedies She also negotiated postwar representations of FDR on the big screen culminating in 1960 s *Sunrise at Campobello* which portrayed her as the perfect wife This book is the first to
