forced While most translations have Job referring to himself with the words afar va eifer this small group of scholars does not believe the Hebrew to be so clear They maintain that the phrase afar va eifer could just as easily be translated as referring to God In this translation of the text Job is calling God dust and ashes Can Job truly be referring to God not himself as dust and ashes How dare he And if he did what did this mean theologically If this linguistic analysis is correct how are we to understand not only the ending of the book but also the entire story of Job These are the questions From Job to the Shoah strives to answer The conclusions it reaches have profound theological implications especially in our modern era when the dust and ashes of the six million Jews murdered in the Holocaust still hang heavily above us The Idea of Biblical Interpretation Hindy Najman, Judith Newman, 2003-12-01 The essays in this Festschrift honor James L Kugel for his contribution to the field of biblical studies in particular early biblical interpretation The essays are organized in three roughly chronological categories The first group treats some part of the Tanakh ranging from the creation and Abraham stories of Genesis to the evolving conception of sacred writing in the prophetic literature The second set of essays focuses chiefly on the literature of Second Temple Judaism including Qumran and extra biblical literature The last group concerns the scriptural imagination at work in rabbinic literature in Milton's Paradise Lost in the anti semitic work of Gerhard Kittel up to the present in a treatment of Levinas and the Talmud **Shmuel HaNagid A Tale of the Golden Age book 2** Aryeh Mahr, 2005 Strangers with God Claudio Monge, 2024-03-20 These pages represent the compendium of a long journey of more than twenty five years It would be simplistic to define this journey as exclusively intellectual because it would be unthinkable without frequent visits to the Middle East in particular to Turkey the second Holy Land of Christianity the ancient Asia Minor of biblical history with its overwhelming Muslim population today The fact is that since many years now the theme of hospitality has been the subject of numerous publications studies contributions and gatherings with protagonists of various opinions and expertise convening to give answers to questions related to the challenge of living together in the complex society of our contemporary world It is precisely by letting ourselves be questioned by these complexities that we become aware that the challenge of hospitality is not merely economic or political but also spiritual Claudio Monge addresses one of the key questions of today with an extremely ancient text from the deepest roots of our civilisation Genesis 18 in which Abraham welcomes the three strangers who come to his tent and announce the conception of Isaac Today when millions are in movement fleeing war and poverty the question of how we are to receive strangers is urgent and inescapable Monge explores this text through the traditions of three religions Judaism Christianity and Islam which claim the assent of approximately half of the population of the world Yet these three religions all looking back in one way or another to Abraham are often strangers to each other If we could offer welcome to each other what a powerful sign of hope this would be for our conflict torn world Yearbook of the Maimonides Centre for Advanced Studies. 2017 Bill Rebigier, 2017-10-23 The Yearbook of the Maimonides Centre for Advanced Studies mirrors the annual activities of staff and
