**Events** John Davison Rockefeller, 2023 John D Rockefeller one of the most successful businessmen in history wrote this book to go over some events great and small that made up his life The incidents documented by Rockefeller in this book were those that seemed vitally important to him when they happened and still stood out distinctly in his memory when he wrote this book Readers can get an authentic glimpse of both Rockefeller s business and private life through these reminiscences

[Some Random Reminiscences of Men and Events](#) John Rockefeller, 2010-11-08 John D Rockefeller appears for the first

time in the role of author in a series of articles on Some Random Reminiscences of Men and Events the first appearing on Friday September 25 1908 in the October edition of The World's Work The articles are accompanied by reproductions of the cramped but careful handwriting of Mr Rockefeller setting forth his biography made up of incidents of his work and pleasure The author says at the outset that on a rainy morning when golf is wanting I am tempted to become a garrulous old man and tell some stories of men and things which have happened in an active life He refers to the extent to which he has been associated with interesting people especially in the business world The New York Times January 24 1908     Random Reminiscences of Men and Events John D. Rockefeller, 2003-06 CONTENTS Some Old Friends The Difficult Art of Getting The Standard Oil Company Some Experiences in the Oil Business Other Business Experiences and Business Principles The Difficult Art of Giving The Benevolent Trust The Value of the Co-operative Principle in Giving     *Random Reminiscences of Men and Events (1909)* John Davison Rockefeller, 2014-08-07 This Is A New Release Of The Original 1909 Edition

**Random Reminiscences of Men and Events** John Rockefeller, 2021-05-21 Originally Published 1909 PREFACE  
Probably in the life of every one there comes a time when he is inclined to go over again the events great and small which have made up the incidents of his work and pleasure and I am tempted to become a garrulous old man and tell some stories of men and things which have happened in an active life In some measure I have been associated with the most interesting people our country has produced especially in business men who have helped largely to build up the commerce of the United States and who have made known its products all over the world These incidents which come to my mind to speak of seemed vitally important to me when they happened and they still stand out distinctly in my memory Just how far any one is justified in keeping what he regards as his own private affairs from the public or in defending himself from attacks is a mooted point If one talks about one's experiences there is a natural temptation to charge one with traveling the easy road to egotism if one keeps silence the inference of wrong doing is sometimes even more difficult to meet as it would then be said that there is no valid defence to be offered It has not been my custom to press my affairs forward into public gaze but I have come to see that if my family and friends want some record of things which might shed light on matters that have been somewhat discussed it is right that I should yield to their advice and in this informal way go over again some of the events which have made life interesting to me There is still another reason for speaking now If a tenth of the things that have been said are true then these dozens of able and faithful men who have been associated with me many of whom have passed away must have been guilty of grave faults For myself I had decided to say nothing hoping that after my death the truth would gradually come to the surface and posterity would do strict justice but while I live and can testify to certain things it seems fair that I should refer to some points which I hope will help to set forth several much discussed happenings in a new light I am convinced that they have not been fully understood All these things affect the memories of men who are dead and the lives of men who are living and it is only reasonable that the public should have some first hand facts to draw from in making up its final estimate

When these Reminiscences were begun there was of course no thought that they should ever go so far as to appear between the covers of a book They were not prepared with the idea of even an informal autobiography there was little idea of order or sequence and no thought whatever of completeness It would have been a pleasure as well as a satisfaction to dwell with some fulness upon the stories of daily and intimate companionship which existed for so many years with my close partners and associates but I realize that while these experiences have always been to me among the great pleasures of my life a long account of them would not interest the reader and thus it happens that I have but mentioned the names of only a few of the scores of partners who have been so active in building up the business interests with which I have been associated

TABLE OF CONTENTS PREFACE CHAPTER I SOME OLD FRIENDS CHAPTER II THE DIFFICULT ART OF GETTING CHAPTER III THE STANDARD OIL COMPANY CHAPTER IV SOME EXPERIENCES IN THE OIL BUSINESS CHAPTER V OTHER BUSINESS EXPERIENCES AND BUSINESS PRINCIPLES CHAPTER VI THE DIFFICULT ART OF GIVING CHAPTER VII THE BENEVOLENT TRUST THE VALUE OF THE CO PERATIVE PRINCIPLE IN GIVING
