## **Raptured A Novel On The Second Coming Of The Lord:**

**Raptured** Ernest Angley,1990      **Raptured** Geraldine Cool,2015-07-23 This book is written to test the faith of every Christian This book will answer questions such as 1 Will the Lord come again 2 Will people be carried away at the rapture 3 Will millions of Christians disappear from the face of the earth 4 Before the full wrath of God falls upon sinful humanity will people have to endure the reign of the beast 5 Or will hideous torture inflicted upon innocent be a prelude to the glorious eternity in Christ The Great Tribulation will be hell on earth You will either have to take the mark of the beast or give up your life Decide for yourself with God s help whether the days of rapture are fact or a fairy tale      Rapture Culture Amy Johnson Frykholm,2004-03-04 In the twinkling of an eye Jesus secretly returns to earth and gathers to him all believers As they are taken to heaven the world they leave behind is plunged into chaos Cars and airplanes crash and people search in vain for loved ones Plagues famine and suffering follow The antichrist emerges to rule the world and to destroy those who oppose him Finally Christ comes again in glory defeats the antichrist and reigns over the earth This apocalyptic scenario is anticipated by millions of Americans These millions have made the Left Behind series novels that depict the rapture and apocalypse perennial bestsellers with over 40 million copies now in print In Rapture Culture Amy Johnson Frykholm explores this remarkable phenomenon seeking to understand why American evangelicals find the idea of the rapture so compelling What is the secret behind the remarkable popularity of the apocalyptic genre One answer she argues is that the books provide a sense of identification and communal belonging that counters the social atomization that characterizes modern life This also helps explain why they appeal to female readers despite the deeply patriarchal worldview they promote Tracing the evolution of the genre of rapture fiction Frykholm notes that at one time such narratives expressed a sense of alienation from modern life and protest against the loss of tradition and the marginalization of conservative religious views Now however evangelicalism s renewed popular appeal has rendered such themes obsolete Left Behind evinces a new embrace of technology and consumer goods as tools for God s work while retaining a protest against modernity s transformation of traditional family life Drawing on extensive interviews with readers of the novels Rapture Culture sheds light on a mindset that is little understood and far more common than many of us suppose      **The Rapture and the Second Coming of Christ** Jack Hartman,2015-06-01 Some Christians do not understand the difference between the Rapture of the Church and the Second Coming of Jesus Christ The Bible teaches that Jesus Christ will descend from heaven with a blast of a trumpet All Christians on earth will be caught up into the clouds to meet Jesus and to be with Him throughout eternity The Bible teaches that a 7 year period of time will occur where God will pour out His wrath on the unbelievers who have rejected the sacrifice of His Son Jesus Christ This period of time is called the Tribulation We believe that the Tribulation will occur immediately after the Rapture We believe that the Second Coming of Christ will occur at the end of the Tribulation When Jesus returns to earth all Christians will return with Him At that time a 1 000 year period of time called the Millennium will commence During

the Millennium the earth will be in perfect peace In this book we give a simple and easy to understand explanation of the Rapture the Tribulation the Second Coming of Christ and the Millennium

**Writing Fundamentalism** Axel Stähler, Klaus Stierstorfer, 2009-05-27 Given its discursive amplification and its very real impact on contemporary societies fundamentalism has become the focus of much scholarly attention However whereas it is commonly recognized to be centred on texts the complex and at times paradoxical relationship of fundamentalism with literature remains as yet largely unexplored Based on new research by an international team of scholars working in the fields of literary and cultural studies the essays gathered in this volume are based on a number of theoretical frameworks and debates and open up a historical perspective which engages critically with received notions of fundamentalism by exploring literary representations of fundamentalisms and the function of literature in fundamentalism they enquire into the underlying generic differences and incompatibilities as well as perhaps more unexpected the similarities and affinities between fundamentalism and literature Opening up a historical perspective reaching back to the early sixteenth century concepts of fundamentalism as a response to exclusively modernist tendencies since the beginning of the twentieth century are challenged in this volume and several contributors begin to explore the rise of fundamentalisms at various points in history characterized by the crisis experience of cultural change While taking this conceptual base as a point of departure the articles collected here then spread out on a plurality of theoretical frameworks Alert to the productive friction between these discourses which it aims to elicit the volume confronts earlier research in the disciplines of theology history of religion sociology political history anthropology and if less copious literary studies with postcolonial and cultural studies With its general focus on writing in English including American and British literatures as well as the new literatures in English worldwide the collection takes into account cultural and historical affinities and differences which have contributed to the ongoing negotiations of fundamentalism and literature in the English language and transcends borders of both nations and academic disciplines In exploring new perspectives on fundamentalism and literature the volume offers tools for a better understanding of this interrelation which should be of interest to scholars across all disciplines concerned with fundamentalism as a social and cultural phenomenon of ever growing global importance and impact

**Christian Fundamentalism and the Culture of Disenchantment** Paul Maltby, 2013 Within the familiar clash of religious conservatism and secular liberalism Paul Maltby finds a deeper discord an antipathy between Christian fundamentalism and the postmodern culture of disenchantment Arguing that each camp represents the poles of America's virulent culture wars he shows how the cultural identity lifestyle and political commitments of many Americans match either the fundamentalist profile of one who cleaves to metaphysical and authoritarian beliefs or the postmodern profile of one who is disposed to critical inquiry and radical democratic values Maltby offers a critique that operates in both directions His use of the resources of postmodern theory to contest fundamentalism's doctrinal claims ultra right politics anti environmentalism and conservative aesthetics informs his engagement with contemporary fundamentalist painting spiritual warfare fiction

dominionist attitudes to nature and a profoundly undemocratic interpretation of Christianity At the same time Maltby identifies some of fundamentalism s legitimate spiritual concerns assesses the cost of perpetual critique and exposes the deficit of spiritual meaning that haunts the culture of disenchantment Religion and Popular Culture in America Bruce David Forbes, Jeffrey H. Mahan, 2005-11-17 PRAISE FOR THE FIRST EDITION A solid introduction to the dialogue between the disciplines of cultural studies and religion A substantive foundation for subsequent exploration Religious Studies Review A splendid collection of lively essays by fourteen scholars dealing with religion and popular culture on the contemporary American scene Choice **The Left Behind Fantasy** William Powell Tuck, 2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense Rapture, Revelation, and the End Times B. The Rapture Versus the Second Coming of Jesus Bradley Ray, 2019-11-23 This book is about the Rapture of the Church versus the Second Coming of Jesus Christ to earth Many are afraid to read the Book of Revelation in the Bible but this is written to clarify Revelation in very clear terminology This study uses Old Testament Prophecy and parallels it with the very Words Jesus spoke in the New Testament There is confusion of whether the Rapture will be Pre Tribulation Mid Tribulation or Post Tribulation all three theories are considered in this book This study is for the student and or the teacher and can be used in a class setting Israel Redeemed is a large part of this study Israel is God's Very Elect and God has not given up on them God's plan for Redeeming His Chosen People is really a beautiful Love Story Israel will accept Jesus as their Messiah at the Second Coming of Christ The author of this book has studied Eschatology and God's Word since his Salvation at the Age of 21 He had a lifechanging experience when he gave his heart to Jesus His approach is so clear to comprehend that after reading this book one can actually understand the subject of End Time Prophecy His heart's desire is for this book to be a blessing and to give God all the Glory Honor and Praise for the revelation of God's Word by the Holy Spirit These Scriptures actually prove the perfection of God's Word Many people have confused the Rapture with the Second Coming of Jesus You will find an in depth study in this book that is completely backed up with the Word of God complete with many New King James Version Scripture verses printed You will also be moved to consider where you stand with God and His Son Jesus Christ      *Coral Ridge Presbyterian Church Communicator*, 2001      Revelation Gerald L. Stevens, 2014-05-08 This three part study covers the history of interpretation theological foundations and exegesis Copious illustrations from the author's worldwide travels enhance discussion of Rome's emperors empire and ideology as the premier horizon for understanding John's immediate context and meaning Distinctive contributions include Stevens's effort to re canonize Revelation by insisting on gospel concord methodically interpreting all of Revelation through the lens of the seven churches and showing how Revelation's imagery consistently relates more to the incarnation than the Parousia Stevens bypasses traditional millennial options to argue that Revelation is passion millennial the passion of Jesus predicates the passion of the church Under Stevens's hands Revelation becomes eminently sensible to the original audience and powerfully pertinent for today's

church      **The Supper** Ronald P. Hesselgrave, 2019-09-17 The Lord's Supper or Eucharist has often been a subject of intense debate in the church. What is often lost in this debate is the significance of the relationship of the Eucharist to Jesus' Last Supper with his disciples, which was a Passover or Passover-like meal. Moreover, the Last Supper connects back to various meals in Jesus' earthly ministry. And it looks forward to the great messianic banquet as fulfillment of Jewish expectations. In exploring these connections, this book focuses on the three motifs of new creation, hospitality, and hope in Christ. Most significantly, when we break the bread and drink the wine or juice together, we are asserting the reality of the new creation in Christ, affirming God's grace, forgiveness, and cruciform love, which is to be embodied in the Christian community and anticipating the day when God's present and ongoing work of restoration, justice, and reconciliation will ultimately prevail. The Supper then is basically a condensed summary of the story of God's plan of redemption. Hesselgrave brings together biblical, theological, ethical, and social insights in a way that deepens our understanding of the meaning and practical significance of biblical texts related to this central ordinance of the church.

### **The Flow of Endtime Events**

Richard Suchy, 2003-04-06 A personal relationship with Jesus Christ and the leading of the Holy Spirit are required as first steps in understanding the Bible. God then requires that believers diligently study His Word with open hearts and minds as they seek His truth. This book is intended as a study aid in understanding Bible prophecy. Questions addressed include: How will victory over world terrorism lead to something even more horrifying? What can we deduce about the personality and cultural background of Antichrist? What part does the ancient Wailing Wall in Jerusalem play in prophecy? Why do so many people believe in a seven-year Tribulation when the Bible teaches that the first half of this period is a time of peace? How will religious freedom lead to the outlawing of true Christianity? Why will God allow His people to suffer at the hands of Antichrist? Why do so many people believe in the imminent return of Christ when the Bible clearly indicates that certain events must happen first? Why will most of the earth's population look to Satan as the world's hope of salvation and see Jesus Christ as the super villain of the universe?

The Rapture Jean/ J. Minyem/ M, 2011-11-12 This book speaks about the end time and the second coming of Jesus Christ. The difference between tribulations, great tribulation, the wrath of God, what will happen for the left behind, what message will be preached to the left behind, difference between the battle of Armageddon and the battle of Gog Magog.

**Encyclopedia of Fundamentalism: Volume 3 of Religion & Society** Brenda Brasher, 2001-10-19 The Encyclopedia of Fundamentalism is the third volume of the acclaimed Religion Society series. The Encyclopedia of Fundamentalism follows a broad definition of fundamentalism and covers fundamentalism across time and place, although the emphasis remains on its primary manifestation: Protestant fundamentalism in the United States. It draws upon the work of historians, sociologists, religious scholars, anthropologists, political scientists, and others.

### **The Oxford Handbook of**

**Eschatology** Jerry L. Walls, 2007-12-03 Eschatology is the study of the last things: death, judgment, the afterlife, and the end of the world. Through centuries of Christian thought, from the early Church fathers through the Middle Ages and the

Reformation these issues were of the utmost importance. In other religions too eschatological concerns were central. After the Enlightenment though many religious thinkers began to downplay the importance of eschatology which in light of rationalism came to be seen as something of an embarrassment. The twentieth century however saw the rise of phenomena that placed eschatology back at the forefront of religious thought. From the rapid expansion of fundamentalist forms of Christianity with their focus on the end times to the proliferation of apocalyptic new religious movements to the recent and very public debates about suicide martyrdom and paradise in Islam interest in eschatology is once again on the rise. In addition to its popular resurgence in recent years some of the world's most important theologians have returned eschatology to its former position of prominence. The Oxford Handbook of Eschatology will provide an important critical survey of this diverse body of thought and practice from a variety of perspectives biblical historical theological philosophical and cultural. This volume will be the primary resource for students scholars and others interested in questions of our ultimate existence. Gathering Over Jerusalem Joel C. Graves, 2003-08 *Faith Healers and the Bible* Stephen J. Pullum, 2015-04-14 An insightful read for anyone who is interested in religion this book offers fresh biblical insight into the preaching of faith healing from a Christian perspective. Faith healing has been a popular religious phenomenon in this country for well over a hundred years gaining thousands of followers and raking in millions of dollars annually. What faith healers teach however often goes unchallenged. *Faith Healers and the Bible: What Scripture Really Says* offers an informed critique of many of the themes found in faith healers preaching that documents that much of what they teach is not biblically based contrary to what they would like their listeners to believe. Drawing on a lifetime of study and nearly two decades of teaching a university course titled *The Rhetoric of Faith Healing* Stephen J. Pullum PhD provides scriptural insight into the false claims frequently found in the preaching of healing revivalists. After an introductory chapter that explains why faith healers have been so persuasive the author addresses a breadth of topics including the miraculous the providential demon possession the call of God the indwelling of the Holy Spirit and the health and wealth gospel. Meeting faith healers on their own turf the Bible Pullum clearly demonstrates that much of what faith healers preach cannot be scripturally supported.
