Medicine Maddalena Rumor,2024-11-18 The topic of a potential relationship between Babylonian and Greco Roman medicine has been discussed for a long time yet it is notoriously difficult to give it flesh and bones by means of concrete examples The main goal of this study is to identify real elements in the therapeutical traditions of the one system that can be connected to those of the other which would confirm a certain degree of practical knowledge sharing between the two cultures By analyzing Drekapotheke filthy medicaments and similarly perplexing medical ingredients and by exploiting the concept of misunderstandings in translation I show how elements of Assyro Babylonian therapy were still present or emerging in the pharmaceutical compositions of the Early Roman Empire ultimately supporting the idea of at least occasional transfers of medical knowledge between the two cultures With its positive findings this study contributes to a broader reconstruction of the context within which ancient medicine developed It also finds reciprocal explanations of obscure passages and fuels further questions regarding the medical interrelations interconnections between these neighboring ancient cultures **Witch's Gambit** John Pagani,2024-04-17 Leah Shay is a charming attractive thirtyish young woman with a hidden dark secret Posing as an aspiring singer bound for Hollywood her true agenda finding a sire to further her coven s line of witches slowly reveals itself Dark spells hypnotic trances and other tools of witchcraft are unleashed upon innocent townspeople who fall prey to her devious plans Leah s target Jack Wainwright is an established photographer and author haunted by his war experiences Complicating the witch s plans for him are his devoutly religious loving wife and his mistress who becomes a sexual distraction for the witch Confronting Leah and insinuating herself among the characters throughout the twists and turns of the plot is Punk a teenage girl who was orphaned in years past by the witch Drawn into the conflict are an eclectic mix of local townspeople ranging from schoolteachers and a waitress to Hells Angels and the town s constabulary They are all eventually mustered by Punk to confront witchery in its vilest of forms Descriptive panoramas of California s coastline and countryside weave through all facets of the book Riveting big wave surfing motorcycle chases and other modern day adventures color the pages and add additional excitement to this intriguing tale The Spook Joel
