Solutions Frank Fletcher, 2016-04-01 There are some events in life that are inevitable and the emergence of problems in the workplace is one. *Solutions* sets out to provide remedies that are accessible, practical, meaningful, and final. Well organized and referenced to specific operations, this book provides troubleshooting and other assistance and serves as an encyclopedic reference for answers to organizational problems for managers and practitioners. All the functional activities and operations of organizations are included so that almost any problem or issue that may occur will be addressed in one or more chapters. Readers will be able to quickly locate, understand, and use a specific tool or technique to solve a problem. The different tools available are described or a single most useful tool indicated. The tool is then explained in depth with an example of how it can be used. The strengths and weaknesses of individual tools are identified and there are suggestions for further help. *Solutions* is essential for anyone wanting to learn the basics of business problem solving and those who might know the basics but want to expand their understanding. A Guide to Innovation Processes and Solutions for Government Gregory C. McLaughlin DBA, William R. Kennedy DBA, 2015-08-25 This book provides a roadmap for successful implementation of innovation for organizations working as subcontractors or suppliers for the federal government. With a focus on the federal sector, it details tools and processes that can make significant improvements in how the federal sector handles innovation opportunities. Presenting insights that can help readers bridge the gap between supplier and customer, the book includes many examples and a case study that illustrate the application of the methodology. It also includes process flowcharts, tools, and strategies for innovation within an agency or organization. The PMO Lifecycle: Building, Running, and Shutting Down William Dow, 2017-06-08 The PMO Lifecycle: Building, Running, and Shutting Down will provide PMO Managers, Portfolio Program, and Project Managers with the knowledge and skills to Build, Run, and Shutdown a PMO. No other text on the market will take you through the steps of the PMO lifecycle. This book covers the step by step process of building, implementing, running, and shutting down a PMO. This book covers Building industry leading PMO, Building an Agile PMO, Running the day to day operations of the PMO, Shutting down PMOs in an organized and structured manner, Dashboard and Reporting using the latest tools. *ACT* Lisa Zimmer Hatch, Scott A.
