A. Christian van Gorder, Gordon Fuller, 2020-08-06 Rabbi Gordon Fuller and Dr Christian van Gorder are committed to helping people of both faith traditions gain as far as is possible a participant's appreciation of those from the other community This means addressing misconceptions and misrepresentations as well as challenging widely held assumptions **Jews and Christians Together** delves into the strained relationship between these two faith communities and exposes why these communities need to come to a better understanding and appreciation of the other Events such as the attack on the Tree of Life Synagogue in Pittsburgh Pennsylvania demonstrate why society must address and foil anti-Semitism and anti Judaism wherever and whenever such views appear The efforts of Fuller and van Gorder to explore these issues with their own faith communities can provide a helpful starting point to confront trends of increasing hate and bigotry towards Jews today Fuller and van Gorder ask us to acknowledge the marred history of Christianity and anti-Semitism so that we can explore healthy Jewish Christian dialogue and gain a shared and constructive mutual respect **Reading Romans within Judaism** Mark D. Nanos, 2018-06-28 Over fifty years ago Vatican II's *Nostra Aetate* 4 drew from Romans 11 to challenge the way Paul's voice has been used to negatively discuss Jews and Judaism The church called for Catholics to conceptualize Jews as brothers in an everlasting covenant and many other Christian organizations have expressed similar sentiments in the years since Nevertheless the portrayal of Jews as branches broken off hardened without faith disobedient and enemies of God whom Christians have replaced as true Israel are among the many ways that readers encounter Paul's views of Jews and Judaism in today's translations and interpretations of this chapter and throughout the letter as well In the chapters in this volume Nanos shows why these translations and interpretive decisions among others do not likely represent what Paul wrote or meant Each essay offers challenges to the received view of Paul from the research hypothesis that Paul and the Christ followers to whom he wrote were still practicing Judaism a Jewish way of life within subgroups of the Jewish synagogue communities of Rome and that they understood Paul to observe Torah and promote Judaism for their communities

Engaging the Doctrine of Israel Matthew Levering, 2021-09-16 This book is the dogmatic sequel to Levering's *Engaging the Doctrine of Marriage* in which he argued that God's purpose in creating the cosmos is the eschatological marriage of God

and his people God sets this marriage into motion through his covenantal election of a particular people the people of Israel Central to this people's relationship with the Creator God are their Scriptures exodus Torah Temple land and Davidic kingship As a Christian Israelology this book devotes a chapter to each of these topics investigating their theological significance both in light of ongoing Judaism and in light of Christian Scripture Old and New Testaments and Christian theology The book makes a significant contribution to charting a path forward for Jewish Christian dialogue from the perspective of post Vatican II Catholicism

Dialogue and Terror Alan L. Berger, 2012-11-02 This volume addresses the promise and peril of post 9 11 interfaith dialogue In fifteen clearly written and insightful essays distinguished scholars of different faiths and divergent world views guide readers toward an informed understanding of the role of religion and the basic teachings of Judaism Christianity and Islam in the aftermath of the September 11 terror attacks on the United States Acknowledging commonalities these essays also shed light on the essential differences among the teachings of the Abrahamic traditions and raise pivotal questions regarding humanity s future What prompted the carnage What has changed since then What remains to be achieved Dispelling ignorance about the religious other is a necessary but only a first step toward achieving a durable and effective dialogue In an increasingly perilous and interconnected world where the effects of globalization are yet to be fully recognized interfaith dialogue holds out the hope of genuine movement toward a more peaceful coexistence Healing and Developing Our Multiculturalism William Rademacher, 2009-02-01 This book is a theological pastoral response to Vatican II s call to develop our cultures as outlined in section 2 of *De Ecclesia in Mundo Huius Temporis* The Pastoral Constitution on the Church in the Modern World It provides a historical perspective on the Church with brief outlines of the Church s relations to the Chinese Jewish Muslim and Latino cultures The author then reviews some of the defects in our present multiculturalism and suggests means for healing and developing our culture in the United States *A Prophetic Public Church* Mary Doak, 2020 2021 Association of Catholic Publishers third place award in theology 2021 Catholic Media Association Award second place award in theological and philosophical studies 2021 Catholic Media Association Award second place award in future church Globalization is uniting the world more closely than ever before while at the same time increasing the likelihood of division and conflict Humanity faces problems of an unprecedented scope vast inequality climate change

threatening the conditions of life on this planet and a great population migration that includes human trafficking and desperate refugees What does this global plight demand of a church called to be a sign and instrument of the union of all in God In this book Mary Doak shows how the church must rectify its own historic failures to embody the unity in diversity it proclaims especially with regard to women and Jews Only then and through responding to the demands of the current global crises can we learn what it means to be the church that is to be a prophetic witness and public agent of the harmony that God desires and the world deeply needs The Dialogue Comes of Age John B. Cobb (Jr),2010 Increasingly world religious traditions present not just an intellectual or apologetic challenge to Christians but a daily encounter a source of religious practices and even live religious options How are Christians to relate to these traditions and the neighbors and friends who live by them This lively and engaging book is a great resource for faithful wrestling with the new realities Led by theologian John B Cobb Jr and historian Ward M McAfee the Progressive Christians Uniting has distilled the historical and existential import of both Abrahamic and other traditions and stressed the differences among traditions and the richness they can afford Christian self understanding Includes study materials *Broken Gospel?* Peter M. Waddell,2023-01-01 The Holocaust lies often unacknowledged near the heart of our contemporary crisis of religious faith The horrific fruit of two millennia of Christian antisemitism the slaughter calls into sharp question the moral and intellectual credibility of the Churches and the Christian faith itself Can Christianity ever recover In *Broken Gospel* Peter Waddell suggests that it can but only by facing unflinchingly the history that paved the way for the Nazi genocide and the Churches sins of omission and commission as it took place Engaging with both Christian and Jewish scholarship Waddell also approaches with sensitivity the theological issues that arise from the horror questions of how the claimed holiness of the Church relates to its wickedness of Christian Jewish relations of prayer and providence of heaven and hell and the faint possibility of forgiveness Scholars clergy and general readers alike will be challenged by this exercise in repentance and reconstruction and inspired by the possibility it offers for Christian theology and practice to flourish once more Enabling Dialogue about the Land Cunningham, Philip A.,Langer, Ruth,Svartvik, Jesper,2020 Provides resources for peaceful exchange of viewpoints about the Middle East Sixteen scholars of the Bible and theology offer here insightful extensively researched essays to shed light on religious and cultural priorities and promote understanding that can lead to productive dialogue **Jacob's Younger Brother** Karma Ben-Johanen,2022-01-01 A revealing account of contemporary tensions between Jews and Christians playing out beneath the surface of conciliatory interfaith dialogue A new chapter in Jewish Christian relations opened in the second half of the twentieth century when the Second Vatican Council exonerated Jews from the accusation of deicide and declared that the Jewish people had never been rejected by God In a few carefully phrased statements two millennia of deep hostility were swept into the trash heap of history But old animosities die hard While Catholic and Jewish leaders publicly promoted interfaith dialogue doubts remained behind closed doors Catholic officials and theologians soon found that changing their

attitude toward Jews could threaten the foundations of Christian tradition For their part many Jews perceived the new Catholic line as a Church effort to shore up support amid atheist and secular advances Drawing on extensive research in contemporary rabbinical literature Karma Ben Johanan shows that Jewish leaders welcomed the Catholic condemnation of antisemitism but were less enthusiastic about the Church's sudden urge to claim their friendship Catholic theologians hoped Vatican II would turn the page on an embarrassing history hence the assertion that the Church had not reformed but rather had always loved Jews or at least should have Orthodox rabbis in contrast believed they were finally free to say what they thought of Christianity Jacob's Younger Brother pulls back the veil of interfaith dialogue to reveal how Orthodox rabbis and Catholic leaders spoke about each other when outsiders were not in the room There Ben Johanan finds Jews reluctant to accept the latest whims of a Church that had unilaterally dictated the terms of Jewish Christian relations for centuries
