Waltke and Houston's sacred hermeneutic listens closely to the two voices of the Holy Spirit heard infallibly in Scripture and edifyingly in the church's response. A masterly historical devotional commentary, *The Psalms as Christian Worship* will deepen the church's worship and enrich the faith and life of contemporary Christians. But they are not alone. This new edition from bestselling author and Cultures of Dignity co-founder Rosalind Wiseman is packed with the latest research-based strategies reviewed by high school and middle school students and revised to include all that she has learned while working over decades with young people. *Owning Up* has helped teachers, counselors, and leaders give students the tools they need to own up and take responsibility as perpetrators, bystanders, and targets for unethical behavior and to treat themselves and others with dignity. This bigger, comprehensive edition features three flexible, dynamic curricula separated by grade. A new chapter on successfully implementing a social and emotional learning program in every school. More games, role-playing activities, and provocative discussion questions to use in co-ed or single-sex groups. Even more lessons and resources updated to address social media bystanding and how young people can develop strong, healthy relationships with adults.
