**East of Empire** Erin M.B. O'Halloran, 2025-03-11 From the outset of the twentieth century Egyptian and Indian leaders understood their movements for self determination as linked and part of a shared project Following World War I as connections between the Middle East and South Asia proliferated Egypt and India lay squarely at the heart of increasingly complex and multilateral relations East of Empire traces how anticolonial nationalism gained momentum across the East and documents the friendships rivalries cultural exchanges and shifting political alliances that came to animate the interwar project of Easternism a cosmopolitan vision of the world whose center of gravity lay beyond Europe in the great city of Cairo Erin O Halloran offers a compelling new account of the era immediately preceding decolonization and the epochal partitions of India and Palestine Alongside well known figures like Mohandas K Gandhi Jawaharlal Nehru and Saad Zaghlul she introduces less familiar but no less intriguing personalities feminists diplomats and poets surrealists socialists and spies Each dreamed wrote organized and fought for the liberation of the East a space universally evoked though seemingly impossible to pin down Drawing on a broad cross section of Indian Arab British and European sources East of Empire transcends archival partitions to tell a powerful and nearly forgotten set of stories about the rise of anticolonial nationalism and the end of empire across the Middle East and South Asia

**The Cambridge History of Socialism: Volume 2** Marcel van der Linden, 2022-11-24 This volume describes the various movements and parties across all six continents that wanted social change through state transformation It begins with a reconstruction of social democracy's trajectories from the 1870s until the present The evolution of socialism on different continents is illustrated through a number of national case studies Experiments at a subnational level for example municipal socialism are also explored as are the varying experiences of international umbrella organizations The next part focuses on divergent socialist experiments and ideologies in several parts of the world including South Asia Africa the Arab world Brazil Venezuela and Israel Palestine followed by an overview of independent socialist movements including left socialist parties of the 1930s and the post war period and the global New Left since its beginnings in the 1950s The volume concludes with critical essays on socialism's long term and global development
