

My Mother Is the Most Important Person in My Life

My mother is the one for which I can see the beautiful universe around me. She is responsible for all the joy, happiness, pleasure or any other emotion I am possessing right now. My mother becomes my umbrella when I get stuck in the rain. She supports me in all my bad times. I have a very profound admiration in my heart for my mother. She is my first best because no one can be fully authentic and genuine and caring like her.

My sister and I use to share all the chats with my mother about the ventures, we did all day. She not only helps us in doing homework but also assists us in making decisions. She is strict at times, no doubt, but she also has a very soft heart. She gently corrects us whenever we make a mistake.

My mother plays a very significant role in our family. Early in the morning, she cooks food for all of us. She helps me and my sister get ready for school. After we go to school, she spends her time in household activities and doing office work. She prays for us, hoping to see us brighter, every day. Furthermore in the afternoon and at the night cooks food for us again. This way her day gets over.

She is never tired of giving us love and affection. Considering my mother's love to be an ocean, it can never be waterless. She is unique and is irreplaceable by anyone else in the universe. We cannot find any kind of love in the world which is comprehensively mighty, liberal and genuine. She removes all the darkness from our life and brings out light.

To be honest, the need and value of a mother are known by the one who doesn't have someone to call 'mother'. The ones having a mother beside them must appreciate their presence. There are still some wicked mentality people who, after marriages keep their parents in old age home which is completely pathetic. She assisted us in every possible decision we take. We must never forget that our mother is the sunshine of our life! Those pathetic wicked minded people must never be accepted in the society.

There might be a lot of sadness attached to our mother's face which she keeps hidden. We must try to understand her of her feelings and make her smile all the time, no matter whatever the circumstance is.
