

Personification (pronounced: PER-son-if-i-kay-shun) is when a writer makes a non-human object or idea seem like a person. How many times is personification used in this poem?

# Personification

by Lili Pluta

I know that clouds aren't people,  
but they're looking glum today.  
So I say that they are pouting,  
as I watch the sky turn gray.

Now, the sky is not a person,  
but I feel its raindrop tears.  
So I say that it is crying,  
and then the sun appears.

The sun is not a person,  
but its warmth spreads like a grin.  
So I say the sun is smiling,  
and the sky cheers up again.
