Recipes for a Beautiful Life Rebecca Barry, 2016-04-19

Writing with a delicate balance of humor and truth, critically acclaimed author Rebecca Barry reflects on motherhood, work, and marriage in her new memoir about trying to build a creative life. When Rebecca Barry and her husband moved to upstate New York to start their family, they wanted to be surrounded by natural beauty but close to a small urban center doing work they loved and plenty of time to spend with their kids. But living their dreams turned out not to be so simple: the lovely old house they bought had lots of character but also needed lots of repairs; they struggled to stay afloat financially; their children refused to sleep or play quietly; and the novel Rebecca had dreamed of writing simply wouldn't come to her.

Recipes for a Beautiful Life blends heartwarming, funny, authentically told stories about the messiness of family life, a fearless examination of the anxieties of creative work, and sharp-eyed observations of the pressures that all women face. This is a story of a woman confronting her deepest fears: What if I'm a terrible mother? What if I'm not good at the work I love? What if my children never eat anything but peanut butter and cake? What if I go to sleep angry? It's also a story of the beauty, light, and humor that's around us all the time, even when things look bleak, and using that to find your way back to your heart. Mostly though, it is about the journey to building not just a beautiful life but a creative one.

The Forgotten Recipe Amy Clipston, 2015-12-08

The first book in Amy Clipston's beloved Amish Heirloom series and an ECPA bestseller, Amish fiction fans will enjoy this story and want a taste of Veronica's raspberry pie. Publishers Weekly: After losing her fiancé in a tragic accident, Veronica Fisher finds solace in the old recipes stored in her mother's hope chest and in a special visitor who comes to her bake stand to purchase her old-fashioned raspberry pies. Veronica Fisher knows how lucky she is to be marrying her best friend Seth Lapp: he is kind, hardworking, and handsome, but most importantly, he loves Veronica. When an accident on the job steals Seth away from her, a heartbroken Veronica is certain she will never love or be loved again. Yet when she discovers a batch of forgotten recipes and opens a bake stand to sell her Mammi's raspberry pies, Veronica picks up a regular customer who gives her heart pause: Jason Huyard was with Seth when he lost his life, a memory that haunts him still. So when he seeks out the grieving fiancée to convey his condolences, the last thing he expects or wants is to fall in love. Nonetheless, Jason soon finds himself visiting Veronica's bake stand every week, and it's for more than the raspberry pies. Now as Veronica's heart thaws, Jason can't bring himself to tell her he was there when Seth died. Can he ever reveal where he was on the day her life derailed? Or will his secret rob them of the second chance at love they both want? Clipston delivers another enchanting series starter with a tasty premise, family secrets, and sweet-as-pie romance, offering assurance that true love can happen more than once and second chances are worth fighting for. RT Book Reviews: 4 stars, TOP PICK. In the first book in her Amish Heirloom series, Clipston takes readers on a roller coaster ride through grief, guilt, and anxiety.
