Kanniah, 2018-12-13 Joy in the Christian life has never been a divine suggestion but an indelible part of His new creation yet we have found that much of what is today dubbed Christianity lacks this intrinsic feature As to naming the source of the problem we have found many views But this author has but one to name and that is the laziness of modern Christians in understanding their position in Christ Christians do not make the study of the scriptures a lifestyle Joy as a concept was God's invention not man's and yet today people are convinced that they can obtain this blessing without Him He gave it and outlined only in His Word how to get it and keep it This is why I call it a theology and not a philosophy It requires thinking biblically A pastor of a local church and loves teaching the Bible verse by verse *Philippians*, 2007-10-04 The four chapters of Philippians contain some of the most quoted and beloved passages in Scripture For me to live is Christ and to die is gain Rejoice in the Lord always Do not be anxious about anything I have learned in whatever situation I am to be content Yet in our familiarity with the Apostle Paul's words to his favorite church we must be careful not to miss the deeper themes says commentator R Kent Hughes Themes such as the robust fellowship and unity that Paul shared with the Christians at Philippi based on their mutual commitment to the gospel Theirs was a partnership we rarely see today between people who were bound together in the great cause of unfurling the gospel flag in cities countries and other cultures undergirded by Paul's central call to let their manner of life be worthy of the gospel of Christ It was a joyous cause a unity a manner of life that should be ours as well The characteristics of such true Christian conduct and spirit are detailed throughout this epistle and this commentary with every aspect ultimately centering in Christ Hughes's faithful exposition and application will reveal how much Philippians is about Christ and about people in Christ Jesus as well as about people who are in the joyful fellowship of the gospel together because they are in Christ Part of the Preaching the Word series **Sacra Pagina: Philippians and Philemon** Bonnie B. Thurston, Judith Ryan, 2016-03-16 Although relatively brief Philippians is one of the most interesting and beloved of Paul's undisputed epistles In Philippians and Philemon Bonnie Thurston makes a convincing case that canonical Philippians is as Paul wrote it one letter Although there is not enough specific evidence to name names she suggests a number of possible audiences A translation conforming as closely as possible to the original Greek is provided along with a careful analysis of the language of the letter that yields insights into the context and theological underpinning of this epistle

The apostle's very brief letter to Philemon stands solidly within the Pauline collection of authentic and canonical letters. In this volume Judith Ryan argues that Philemon makes two specific appeals. The first seeks to elicit Philemon's partnership and his community's support in welcoming Onesimus back as both beloved brother and honored guest. The second requests that Onesimus be allowed to use the freedom he already has to serve Christ and his Gospel. In this commentary Ryan provides a fresh translation, critical notes for each verse, and interpretation on defined sections. She situates the letter in the historical context of slavery in the ancient world and shows how Paul combined his theology with contemporary rhetorical strategies to produce an effective challenge to his audience.

Bonnie B. Thurston, PhD, lives in West Virginia in solitude. She is ordained in the Christian Church, Disciples of Christ, and the author of several books, including *The Spiritual Landscape of Mark* and *Religious Vows: The Sermon on the Mount and Christian Living*. Liturgical Press and Preaching Mark, Fortress Press. Judith M. Ryan, PhD, STL, is associate professor of New Testament at the University of St. Thomas School of Theology at St. Mary's Seminary, Houston, Texas. Previously, she taught at Catholic University of America, Fordham University, the University of Scranton, College of the Holy Cross, and St. Mary's Seminary and University, Baltimore, Maryland.

Philippians Kevin A. Petrus, 2015-08-11

Redeemed and made alive in Christ but where has spiritual zeal gone? Why are you not feeling alive in Christ? So many Christians have pondered these questions. You would perhaps gladly declare that you want better fellowship with your Savior; you want to be more devoted in heart to Him. What is holding you back? Has Christian communion drained you? Have life circumstances appeared so daunting that your faith seems like a dried raisin? Has anxiety riddled your heart and mind more than you care to admit? Life can hurl so much at us that even the children of God can become rattled and dazed. It is time to reconnect. Come along and find out how *Philippians*. Unity of Mind, Joy of Spirit: a series of messages presented in simple expositional style teaches Christians about spiritual joy. This joy is available in Christ regardless of life circumstances. See how the inventory of victories and promises, as well as the character of Jesus Christ, can strengthen your soul. Experience how the joy of the Lord can revive you for purposeful living, even in serving others with Christ-like humility. Dive in and learn how a church can have sweet unity through wholesome and humble thinking, each elevating other members higher than oneself. The apostle Paul expresses how recognizing the Master's loving care and jurisdiction over His child's entire life actually leads to contentment in the Lord. You will be amazed to find out what Paul reveals as our greatest work as children of God. What a worthwhile and fulfilling journey.

Philippians Linda L. Belleville, 2022-09-29

In this accessible and erudite commentary, the respected New Testament scholar Linda Belleville shows how Paul's letter to the Philippians provides a unique opportunity to see the similarities between the culture of his day and ours and to understand not only what is needed to cope in a hostile society but also to be bold in sharing the sole hope for our global world: knowing Christ and eternal citizenship in heaven. *Philippians* was written while Paul was imprisoned in the imperial barracks, awaiting the outcome of a life-or-death trial. His most beloved church was facing strong opponents without and selfish division within. Paul's strategy is to remind the church

of the reasons to rejoice and forgo selfish opinion differences There is much cause to rejoice because despite imprisonment the gospel had reached the entire imperial guard and emboldened Christians everywhere to boldly proclaim Christ even if he dies Paul's ministry of preaching Christ will continue Yet the Philippians best exemplar is Christ himself who while enjoying his heavenly riches willingly took on the human condition with its pain suffering and death so that they might gain their own heavenly riches
