Spiritual Commentary On Mark:

Spiritual Commentary on Mark John K. Sim, 2014-12-26 What is the root cause of so many problems with Christianity Who is Jesus Did He really feed the five thousand raise the dead and walk on the sea Did I receive the Holy Spirit and the eternal life All the answers to these questions are in this book In the Gospels all parables and miracle stories are written in spiritual language The passages such as They brought the donkey and the colt and Jesus sat on them Matt 21 7 and Rabbi look The fig tree you cursed has withered Mark 11 21 are the examples Obviously man cannot ride two donkeys of different sizes nor does a fig tree wither by someone's curse Therefore these passages cannot be read literally but must be read in parabolic spiritual language In this book all words parables and miracle stories are decoded from their spiritual language and the Gospel of Mark is interpreted As a result the unheard of facts truth and historical Jesus are revealed for the first time in 2 000 years

Mark: Jimmy Swaggart Bible Commentary Jimmy Swaggart, 2006 MARK BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God

Mark Christopher A. Hall, Thomas C. Oden, 2005-07-08 The early church valued the Gospel of Mark for its preservation of the apostolic voice and gospel narrative of Peter Yet the early church fathers very rarely produced sustained commentary on Mark In this ACCS volume the insights of Augustine of Hippo Clement of Alexandria Ephrem the Syrian and Cyril of Jerusalem join in a polyphony of interpretive voices from the second to the eighth century

Clifton Black,2011-09-01 Mark s genius lies not in telling a story about Jesus but in creating conditions under which the reader may experience the peculiar quality of God s good news The Evangelist hurries one along breathlessly immediately making sure that the reader lurches with the characters into one pothole after another What is this new teaching that consorts with the flagrantly sinful turning the pious homicidal intimates into strangers and mustard seeds into the greatest of all shrubs Jesus closest adherents the Twelve are among the most muddled Who can blame them They ask for an obscure parable s interpretation and receive an answer even more confounding They are told to feed thousands with next to nothing Their boat almost capsizes while their teacher sleeps As they oar in rough waters the teacher strides the waves intending to bypass them Putting the reader in the same boat Mark structures conversations with Jesus that make little sense if any The Twelve are craven stupid self serving and disobedient meet the average Christian Besides their hearts were hardened Who hardens hearts God Should not God s Messiah lift the burdens of those following him What kind of Christ heads to a cross handing his disciples another for themselves Do you not yet understand from the Introduction **A Critical and Exegetical Commentary on the Gospel According to St. Mark** Ezra Palmer Gould,1896

Mark Abraham Kuruvilla MD,2012-02-24 Mark A Theological Commentary for Preachers engages hermeneutics for

preaching employing theological exegesis that enables the preacher to utilize all the narrative units of Mark to craft effective sermons This commentary unpacks the crucial link between Scripture and application the theology of each preaching text The Gospel of Mark is therefore divided into twenty five narrative units with the theological focus of each clearly delineated The specificity of these theological ideas for their respective texts makes possible a sequential homiletical movement through each pericope of the book progressively developing the theological trajectory of Mark s theme of discipleship and enabling the expositor to discover valid application for sermons While the primary goal of the commentary is to take the preacher from text to theology it also aids in the advance from theology to sermon by providing tips for preaching and two possible sermon outlines for each of the twenty five units of the Gospel The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through Mark s Gospel with an emphasis on application
