Dear Editor,

I boarded the bus at 8:00 p.m. There were already about 16 passengers inside the bus. The driver closed the doors, switched off the air conditioner and went off to talk to someone outside the bus. I knocked on the door to ask the driver to switch on the air conditioner. The driver came over, opened the door and angrily shouted at me to get out. He also ordered all the other passengers to get out.

Is this the way to treat the public?

Richard Powell

Spm English Paper 1:

Prof. Izhar, 2015-08-09 *Language Planning in Primary Schools in Asia* Richard Baldauf, Robert Kaplan, Knonko Kamwangamalu, Pauline Bryant, 2013-09-13 In foreign language education decisions must be taken on what languages to teach who will teach them in which schools i.e. all only urban only rural in which grades the number of hours a week and the cost involved This book explores the answers to these questions across a number of Asian polities It illustrates why some of the efforts undertaken are successful and why some are not why despite significant investments of time and resources some students do not seem to acquire the languages being taught and why some teachers responsible for instruction in the designated foreign languages have problems achieving fluency in the designated language or have other language teaching difficulties It suggests some strategies various polities might attempt to achieve their stated language learning objectives This book was originally published as a special issue of Current Issues in Language Planning

Language Choice in Postcolonial Law Richard Powell, 2020-02-24 This book discusses multilingual postcolonial common law focusing on Malaysia's efforts to shift the language of law from English to Malay and weighing the pros and cons of planned language shift as a solution to language based disadvantage before the law in jurisdictions where the majority of citizens lack proficiency in the traditional legal medium Through analysis of legislation and policy documents interviews with lawyers law students and law lecturers and observations of court proceedings and law lectures the book reflects on what is entailed in changing the language of the law It reviews the implications of societal bilingualism for postcolonial justice systems and raises an important question for language planners to consider if the language of the law is changed what else about the law changes
