Initial Evidence Gary B. McGee, 2008-01-01 This is a superb collection of articles on the central issue of Pentecostalism speaking in tongues as the initial evidence for the baptism in the Holy Spirit The articles written by both Pentecostals and non Pentecostals are historically informative scholarly irenic in spirit ecumenical in treatment and wide ranging in interest Here is an opportunity for both Pentecostals and non Pentecostals to become better informed about Pentecostalism While offering a solid defense of traditional Pentecostalism the book also offers candid assessments that take a different view This book should become a must for those who want to understand both historic and present day Pentecostalism Gordon D Fee Professor Emeritus of New Testament Regent College The most complete and scholarly analytical treatment of glossolalia as initial evidence of the baptism in the Holy Spirit that has yet appeared Both the historical and theological sections support and challenge the distinctive Pentecostal teaching on the subject of tongues Vinson Synan Former Chairman North American Renewal Service Committee a remarkably diverse collection of essays that thoughtfully probe the distinctive which has come to characterize the Pentecostal Movement namely speaking in an unknown tongue Irenic in tone the volume is a must for scholars pastors and lay persons of all theological perspectives who desire to enter into dialogue in this area of debate D William Faupel Professor of the History of Christianity Wesley Theological Seminary Initial Evidence edited by Gary McGee is a substantive contribution to the study of American Pentecostalism The historical overviews in it are of tremendous value particularly for newcomers to Pentecostalism who may lack a historical grounding in the movement Exegetical essays such as

that by Donald Johns will challenge readers who are comfortable with current hermeneutical models to rethink the biblical text and it offers great promise for more contributions to Pentecostal exegesis Howard M Ervin Professor Emeritus of Old Testament Graduate School of Theology Oral Roberts University

Gender in the Music Industry Marion Leonard, 2007 Leonard addresses core issues relating to gender rock and the music industry through a case study of female centred bands from the UK and US performing so called indie rock from the 1990s to the present day Using original interview material with both amateur and internationally renowned musicians the book further addresses the fact that the voices of musicians have often been absent from music industry studies Leonard s central aim is to progress from feminist scholarship that has documented and explored the experience of female musicians to presenting an analytic discussion of gender and the music industry In this way the book engages directly with a number of under researched areas the impact of gender on the everyday life of performing musicians gendered attitudes in music journalism promotion and production the responses and strategies developed by female performers the feminist network riot grrrl and the succession of international festivals it inspired under the name of Ladyfest

Moving Words Andrew Brandel, 2023-07-26 In the decades since the fall of the Berlin Wall Berlin has re emerged as a global city in large part thanks to its reputation as a literary city a place where artists from around the world gather and can make a life Moving Words foregrounds the many contexts in which life in the city of Berlin is made literary from old neighbourhood bookshops to new reading circles NGOs working to secure asylum for writers living in exile to specialized workshops for young migrant poets Highlighting the differences tensions and contradictions of these scenes this book reveals how literature can be both a site of domination and a resource for resisting and transforming those

conditions By attending to the everyday lives of writers readers booksellers and translators it offers a crucial new vantage point on the politics of difference in contemporary Europe at a moment marked by historical violence resurgent nationalism and the fraught politics of migration Rooted in ethnographic fieldwork rich historical archives and literary analysis Moving Words examines the different claims people make on and for literature as it carries them through the city on irregular and intersecting paths Along the way Brandel offers a new approach to the ethnography of literature that aims to think anthropologically about crossings in time and in space where literature provides a footing in a world constituted by a multiplicity of real possibilities
