On Eagles' Wings Katelyn Layne,2022-04-13 Mia Jensen is twelve years old She has grown up in a small town and her life has been uneventful She often wishes something interesting would happen but when Mia gets her something interesting it is not at all like she imagined As Mia s life is upended and she begins to question everything she s ever known her faith comes under examination If God loves her so much why would he let her suffer With her life upside down Mia turns to the people around her for answers She must choose between bitterness and faith Surrounded by friends and family Mia comes to learn that life isn t perfect but that doesn t mean God isn t good His goodness isn t defined by life s circumstances Instead God is with Mia even in the darkest of times ready to raise her up on eagle s wings **The Spirit of Getting Organized**

Pamela Kristan,2003-01-01 The Spirit of Getting Organized is about sorting papers and using file folders But there s more to life than a neat office After years in the field of professional organizing Pamela Kristan realized that organizing was a doorway an opportunity to find personal power and meaning Organizing is an intimate encounter with life s everyday details that has the power to engage us profoundly with our soul with our world and with the farthest reaching grandest patterns of Nature Rather than pulling us away from spiritual work with mundane chores organizing can draw us into the cosmos
