Strobel, 1999 House Flipping for Big Profits by an Old Pro D. Rod Lloyd, 2023-01-21 This book discusses buying a property for the sole purpose of remodeling it to resell commonly known as flipping This practice has been made popular by recent DIY programs on TV that tend to glamorize the process but make no mistake the process of house flipping is hard work very stressful and requires a lot of money and skill There are a couple of reasons why a person might want to flip a house The first reason is it is a historical or classical building and a person wants to do the project for the love of the building The second reason is TO MAKE MONEY I believe 99% or more fall into the latter and this book deals with this I will guide you through all the steps in buying your property the remodeling process and finally selling the project to make BIG PROFITS I go into every granular detail as I have been there and done that dozens of times Don't start a house flip without reading this book Includes Mobile Homes and Rental Property

Handbell Ringers Bible D. Rod Lloyd, Learn Handbells from scratch or become a better Ringer This is the completely revised 2023 Handbell Ringers Bible I listened to all your comments and have made this even more comprehensive and easier to learn from A set of handbells creates ONE musical instrument They are always in tune and most ringers play only two bells plus their accidental making it one of the easiest musical instruments to learn and a lot of fun to play Having said that to play any instrument well you need to study and practice You don't need to be a musician to begin to play bells but you will be a musician once you have mastered the instrument and its techniques If you can count to four and know your left from your right you have the necessary qualifications You don't need a deep understanding of music theory I have selected the parts of music that you do need making it as simple as possible It is all too common for new handbell ringers to be thrown in at the deep end with just a short explanation of how to ring the bell and off they go playing in an existing handbell choir I have created this Method Book full explanation of all the terms and techniques training videos as well as handbell music notation to make learning handbells more structured and informative
