*A Taste for Brown Sugar* Mireille Miller-Young, 2014-12-08 *A Taste for Brown Sugar*

boldly takes on representations of black women's sexuality in the porn industry. It is based on Mireille Miller Young's extensive archival research and her interviews with dozens of women who have worked in the adult entertainment industry since the 1980s. The women share their thoughts about desire and eroticism, black women's sexuality and representation and ambition and the need to make ends meet. Miller Young documents their interventions into the complicated history of black women's sexuality, looking at individual choices, however small: a costume, a gesture, an improvised line, as small acts of resistance of what she calls illicit eroticism. Building on the work of other black feminist theorists and contributing to the field of sex work studies, she seeks to expand discussion of black women's sexuality to include their eroticism and desires as well as their participation and representation in the adult entertainment industry. Miller Young wants the voices of black women sex workers heard and the decisions they make, albeit often within material and industrial constraints, recognized as their own.

**Erotic Revolutionaries** Shayne Lee, 2010-08-04. Why is there no pro sex contingency in black feminist scholarship? Why do so few African American scholars expound on issues celebrating female sexual pleasure? Perhaps the answers to these questions reside within a discursive matrix of sexual repression commonly referred to as the politics of respectability and its rein on black sexual politics. In *Erotic Revolutionaries: Black Women Sexuality and Popular Culture*, sociologist Shayne Lee steers black sexual politics toward a more sex positive trajectory. Introducing feminist analysis to a conceptual mélange of scripting theory, media representation and black sexual politics, Lee considers the ways in which the feminist quest for social and sexual equality can delve into popular culture to see the production of subversive scripts for female sexuality and erotic agency. Whereas most feminist scholarship underscores how sexual representations of black women in media are exploitative and problematic, Lee portrays black female celebrities like Janet Jackson, Beyoncé, Karrine Steffans, Zane, Tyra Banks, Juanita Bynum, Sheryl Underwood and many more as feminists of sorts who afford women access to cultural tools to renegotiate sexual identity and celebrate sexual agency and empowerment. *Erotic Revolutionaries* navigates the uncharted spaces where social constructionism, third wave feminism and black popular culture collide to locate a new site for sexuality studies that is theoretically innovative, politically subversive and stylistically chic.

*Confessions of a Video Vixen: 20th Anniversary Edition* Karrine Steffans, 2025-03-04. Part tell, part cautionary tale, this emotionally charged memoir from a former video vixen nicknamed Superhead goes beyond the glamour of celebrity to reveal the inner workings of the hip hop dancer industry from the physical and emotional abuse that's rampant in the industry and which marked her own life to the excessive use of drugs, sex and bling. Once the sought after video girl, this sexy siren has helped multi platinum artists such as Jay-Z, R. Kelly and LL Cool J sell millions of albums with her sensual dancing. In a word, Karrine was HOT. So hot that she made as much as 2500 a day in videos and was selected by well known film director F. Gary Gray to co star in his film *A Man Apart* starring Vin Diesel. But the film and music video sets, swanky Hollywood and New York restaurants and trysts with the celebrities featured in the pages of *People* and *In Touch* magazines only touches the surface of Karrine Steffans' life. Her journey is filled with physical

abuse rape drug and alcohol abuse homelessness and single motherhood all by the age of 26 By sharing her story Steffans hopes to shed light on an otherwise romanticised industry and help young women avoid the same pitfalls she encountered If they re already in danger she hopes to inspire them to find a way to dig themselves out of what she knows first hand to be a cycle of hopelessness and despair UPDATE As the music industry started to have its own reckoning with men who ve behaved badly even criminally Confessions has been discussed in some quarters as an early warning bell with Karrine as a feminist icon who shined a light when no one wanted her to and championed sex positivity before it was embraced Now she talks about what it has been like to watch the tide turn and the lessons still to be learned      Black Sexual Economies Adrienne D.
