English Language Arts the Kindergarten Way Molly Cochell, Laura Fullmer, 2017-05-02 Kindergarten teachers know that a child's first taste of school should be engaging, active, social, and fun. Yet teachers are presented with a challenge: How do they nurture the holistic, exploratory nature of early childhood while teaching with the intentionality and rigor required to meet learning goals? Let this resource pave the way. English Language Arts the Kindergarten Way contains methods for teaching foundational reading skills, building vocabulary, inspiring and developing writing, and helping children respond to literature and informational text while inherently fulfilling the needs of the whole child. An entire year of activities is included. And all activities are classroom tested and naturally infuse visual art, music, drama, poetry, movement, and puppetry so that kindergartners meet learning goals their way.

**The Liturgy of the Word with Children** Katie Thompson, 2008 This perfectly delightful and all-inclusive resource covers Years A, B, and C of the liturgical cycle. It is perfect for parishes who schedule a children's Liturgy of the Word as well as for those who simply want materials to prepare children for the weekly liturgy. It is geared to ages 5-8 and for each week of the lectionary cycle, there are creative hand-out activity sheets that involve children in the scriptural message. Best of all, it offers informative background notes and directions for liturgy leaders, parents, catechists, and all who work with parish children. This is a must-have resource for every parish.

*A Priceless Wedding* Sara Cotner, 2012-12-28 Plan a wedding that reflects your commitment to each other and to the things you truly value. How you and your partner plan your wedding can set a precedent for how you will be as a family. How do you work together to merge two different sets of ideas into something bigger and better? How do you disagree in constructive rather than destructive ways? How do you honor the input and experience of family members while simultaneously maintaining ownership of your lives and choices? In this part-memoir, part-how-to handbook, popular wedding blogger Sara Cotner shares how you can resist the pressure to create the wedding of someone else's dreams and instead reclaim the real purposes of a wedding: community, connection, commitment, and fun. *A Priceless Wedding* covers all the basics: securing a location, finding a dress, deciding on flowers, selecting a wedding party, planning the ceremony, choosing rings, and everything in between. But it goes beyond the elements of a traditional wedding to help you plan an eco-friendly, hand-crafted, budget-minded celebration that will be both memorable and meaningful. Featuring do-it-yourself projects that help you create your own unique wedding favors, sew a homemade wedding quilt, and more, this book will inspire you to begin your own traditions and rituals that will clarify your values and let you live them out loud.
