Somewhere In The Night Eight Gay Tales Of The Supernatural:

Somewhere in the Night Jeffrey N. McMahan, 1997 Eight Gay Tales of the Supernatural The realms of nightmare and reality converge in eight tales of suspense in this Lambda Literary Award winning collection The Vampire as Numinous Experience Beth E. McDonald, 2015-01-24 The critical work examines the vampire as a spiritual figure whether literal or metaphorical analyzing how the use of the vampire in literature has served to convey both a human sense of alienation from the divine and a desire to overcome that alienation While expressing isolation the vampire also represents the transcendent agent through which individuals and societies must confront questions about innate good or evil and belief in the divine and the afterlife Textual experiences of the numinous in the form of the vampire propel the subject on a spiritual journey involving both psychological and religious qualities Through this journey the reader and the main character may begin to understand the value of their existence and the divine A variety of works poetry and fiction by British and American authors is discussed with particular concentration on Coleridge's *The Rime of the Ancient Mariner* Bram Stoker's *Dracula* and Anne Rice's *Vampire Chronicles* as representative of the Romantic Victorian and late twentieth century periods of literature A conclusion looks at the future of the literary vampire **Somewhere in the Night** Jeffrey N. McMahan, 1989 All of the protagonists of the eight horror tales here are gay allowing McMahan both a new twist on chiller standbys such as vampirism and spirit possession and an intriguing perspective on the complexities of gay life p 4 of cover **The Advocate**, 1997
