Perseverance and Apostasy in the New Testament Dongsu Kim, 2022-05-27

Perseverance and Apostasy in the New Testament thoroughly examines all the New Testament texts relevant to the controversial questions of whether a genuine believer can apostatize and or whether an apostate can be restored The primary contribution of the book lies in the in depth exegesis of the relevant New Testament Greek texts against the socio historical circumstances of each faith community in the New Testament The book inductively shows that the New Testament writers maintain a uniform perception on perseverance and apostasy based on Jesus words that bear upon the subject described in the Gospels It also illuminates questions of the relationship between God s sovereignty and human responsibility the role of the Holy Spirit for the believer s perseverance and the role of Satan for the apostates falling away The book is a needed addition to earlier works on perseverance and apostasy

ENDORSEMENTS

The debate over the issues of perseverance and apostasy will likely remain in the church until the coming of Christ Many despair of ever coming to a definitive conclusion often contending that the biblical evidence is inconsistent and beyond resolution Don Kim s near exhaustive analysis of the relevant NT texts proves otherwise He is thoroughly conversant with virtually all contributors to this subject and his meticulous contribution will surely prove to be the standard for future dialogue Anyone who proposes to engage with this controversial matter cannot afford to overlook this remarkably helpful and insightful book

Dr Sam Storms Lead Pastor of Bridgeway Church Oklahoma City Enjoying God Ministries

Don Kim has written an amazingly thorough and careful study on perseverance and apostasy in the New Testament Scholars disagree on how to interpret these difficult passages but Kim defends well his own understanding and his important study will have to be reckoned with in future work on this controversial topic

Dr Thomas R Schreiner James Buchanan Harrison Professor of New Testament Interpretation and Professor of Biblical Theology The Southern Baptist Theological Seminary

Perseverance and Apostasy in the New Testament is a well executed and thorough examination of New Testament texts that bear upon or otherwise illuminate the difficult question of whether a true believer can apostatize The author neither avoids difficult questions nor skirts challenging texts Rather he carefully works his way through each relevant New Testament text s central exegetical questions offering judicious insights and integrating those insights into a collective explanation I found some of my own assumptions challenged while reading this book I am happy to recommend it as a helpful addition to and sometimes needed correction of earlier works on perseverance

Dr Kenneth Berding Professor of New Testament Talbot School of Theology at Biola University

Perseverance and Apostasy in the New Testament concentrates on the crucial questions of whether genuine believers in Jesus could apostatize and whether the NT presents a consistent picture on that very issue by providing a careful exegetical treatment of numerous passages across the New Testament beginning with the Synoptics and John s Gospel walking through Acts and the letters and completing with

the book of Revelation One's theological presuppositions will of course affect how he/she receives and responds to Kim's case. It will also be unrealistic to expect even those agreeing passionately with Kim to concur on every detail in a tome of this magnitude. Yet undoubtedly *Perseverance and Apostasy in the New Testament* proves to be an essential reading for pastors and theological students who should wrestle with the issue of perseverance and apostasy and the relevant biblical texts to form their own conclusions. This well-written book will serve its readers effectively by sharpening or challenging their views if not both. Dr. John Lee, Associate Professor of New Testament, Midwestern Baptist Theological Seminary, writes: "This substantial study by Dongsu Kim is a decisive demonstration of the historic doctrine of the perseverance of the saints taught and defended by the Reformed tradition. *Perseverance and Apostasy in the New Testament* provides a thoroughly biblical and hermeneutically and canonically sensitive study. Kim's exposition is scholarly, rigorous, and articulate. He argues persuasively that the various biblical writers' engagements with apostasy are consonant with the Scriptures' declarations of divine sovereign grace in salvation. Perseverance and apostasy in the New Testament is an extensive arsenal of biblical and theological insights that will be of value for exegetes and theologians alike." Dr. Peter A. Lillback, president, Westminster Theological Seminary, Philadelphia, writes: "The Reformed doctrine of perseverance of the saints has recently been tremendously challenged and egregiously distorted. For example, the New Perspective on Paul has seriously rejected the traditional wisdom advocating revisions not only of the doctrine of perseverance but also justification. In response to these criticisms, challenges, and distortions, this book provides a most comprehensive and compelling antidote with profoundly detailed and meticulous exegetical engagements with the New Testament texts. Dr. Kim did an excellent job in presenting a powerful and persuasive case for God's gracious and faithful preservation of true believers in Christ. This is a masterpiece and must read for anyone interested in Scripture's teachings about the ideas of perseverance and apostasy." Dr. Sung Wook Chung, Professor of Christian Theology, Denver Seminary, writes: "Kim asks whether New Testament authors maintain a consistent theology of perseverance and apostasy or not. Is it conceivable that divinely inspired authors contradict each other with different theologies of perseverance and apostasy? Or must we admit they contradict each other and deny plenary verbal inspiration of Scripture? Kim is fully aware that no scholar asks these questions without theological presuppositions which predetermine his answers. He himself enters this hermeneutical circle with his own working definitions of perseverance and apostasy. He challenges himself and his readers to allow the New Testament itself to revise and refine our theological presuppositions and working definitions. Kim is also aware of the error of selective evidence. To avoid it, he chooses passages from the entire New Testament that he deems critical to understanding the subject of perseverance and apostasy. Kim's book is new essential reading for everybody who wants to formulate a comprehensive New Testament theology of perseverance and apostasy." Dr. Andrew D. Parlee, Professor of Systematic Theology, Greater Europe Mission, Thirdmill Seminary, writes: "**How to Overcome the Spirit of Fear**" Evangelist Prophetess Ella Knight, 2010-10. In this book, Evangelist Ella Knight shares the deep, dark valleys of life that God

allowed her to travel through From a rough marriage severe financial struggles vicious attacks by evil workers and more she shares the experiences that almost caused her to go over the edge But even more this book is a guide to overcoming the spirit of fear with which Satan wants to suppress us all Evangelist Knight couldn't understand why our All Wise and Almighty God Jehovah allowed her life to be so hard difficult and fearful until the Lord spoke and said unto her You can't lead where you haven't been you can't teach what you don't know and you can't share what you haven't experienced Therefore she had to go through the obstacles and be attacked by the demons devils and evil spirits that our Heavenly Father allowed to be laid in her path to draw her closer to Him Now she is able to understand identify and help His people as they go through the attacks that they don't understand This minister of God never imagined that life could be so fearful hard miserable and difficult until God allowed her enemies to come upon her to chase her into the Potter Hands Now she can't believe the faith and bravery that God has planted in her and the peaceful prosperous and joyful spirit that now lives within her In this book the author shares that journey from fear to fearlessness

The Voluble Soul Richard Willmott, 2021-01-01 The world's fair beauty set my soul on fire In this first study of the full range of Traherne's poetry Richard Willmott explains his metaphysical poetry to all who are attracted by the beauty of his language but puzzled by his meaning He offers guidance both for the student of English uncertain about Traherne's theological ideas and the student of theology put off by seventeenth century poetic conventions and diction Using a wealth of quotation he examines Traherne's verse alongside that of a variety of his contemporaries including Andrew Marvell Lucy Hutchinson Anne Bradstreet and Edward Taylor Central to Traherne's poetry and generous theology is his delight in the capacity of his soul to approach God through an appreciation of His infinite creation This soul is voluble not only because it can express its thoughts with fluency but also because it can enfold within itself the infinity of God's creation taking in everything that it perceives considering the latest scientific speculations about the atom and astronomy but also looking clear sightedly at Restoration society's materialism and in one startlingly savage satire the corruption of the royal court

God's Gravediggers Raymond Bradley, 2022-06-29 Few can offer a more experienced view on religion than Ray Bradley Having been raised as a winner of souls for Christ in the 1940s he spent the next 40 years as an atheist professor of philosophy and an outspoken critic debater of religion Revered for his work in logic and his meticulous approach to debate God's Gravediggers is Bradley's coup de grace to religion A career's worth of work on a subject that could hardly be more important Approaching the moral logical and scientific arguments using rich analogies rational arguments and examples that non academics would understand he explores not only whether God exists but also what damage the concept of God does A timely book in an age of religious fundamentalism hatred and conflict Bradley does not gloss over difficult points of logic and reasoning A pleasure to read Professor Graham Oppy Chair of Council of the Australasian Association of Philosophy From a young person's rejection of Christianity to a mature philosopher's cogent critique of all religions This compelling defense of atheism is a brilliant read Professor Robert Nola University of Auckland

Bradley's forte is logic and he brings that to bear throughout the work. It is well written and thoroughly absorbing. I have nothing but praise for his project. Theodore Drange, Professor Emeritus, West Virginia University. Moments with the Master Ed McInnis, 2022-11-03. What is a non-devotional? Typical devotions are date specific, approximately same in length, and the messaging while definitely powerful, are written in a more casual, easy digestible format. Moments with the Master is numbered by day 1-366, allowing it to be started any time during the year and was written to provoke contemplation with the Lord. Deep in consideration, readable in style, Moments with the Master will encourage love and good deeds as well as embolden believers to the Great Commission. Oh how grand it would be if we all approached the complex issues facing politicians and society today with a heart that asked, 'How is this response pleasing to the Father?' We would touch the environment with trembling hands for it is His creation. We would protect the sanctity of life for it is His domain. We would mete out judgment for violating laws for He is just. We would tend the homeless and hungry for He is compassionate. We would live a Christ-centered morality for He is holy. We would better allocate our wealth and position for His worth is beyond measure. All these things we would do even if it costs us or our lives for He is greater even than death. *CRUCIFIXION SHOCKWAVE* Joseph Edward Bonnette, 2020-11-14. MY EBOOK IS ALSO CALLED JEHOVAH'S CRUCIFIXION. HURRICANE THE MIGHTY RUSHING WIND OF THE LATTER RAIN. JEHOVAH IS THE ONE DEPICTED IN REVELATION 4:2-3 BUT IS THE ENCAPSULATION OF ALL FORMS OF HUMANS THAT CAN EVER EXIST WHICH MAKES HIM LOOK EXTREMELY ALIEN IN APPEARANCE. GOD'S IMAGE, EXTERNAL APPEARANCE IS THE COLOUR OF JASPER SARDIUS WHICH IS REDDISH BROWN BUT WITH MANY OTHER COLOURS IN IT. HE IS THE SOURCE OF ALL HUMANITY'S IMAGE. GEN 1:26.

Denominationalism of God ... or ... of Man John F. Lugger, 2023-02-20. Denominationalism can be defined as religious division caused by false teaching so the case could be made that its origin traces back to the beginning of creation with the account of Cain and Abel. Abel followed correct doctrine with his sacrifice as God respected it, whereas Cain chose to alter whatever instructions God had issued on the subject, choosing instead a different doctrine or denomination and offering a sacrifice which God did not respect. One in which God had not ordained. Genesis 4:3-5. Most denominations today attempt to follow some things taught or practiced by Jesus and His apostles. But these have been added to or modified to fit human ideas. We see this practice exhibited even in the Old Testament. Israel feared the Lord, seemingly giving God some worship yet they also served other gods according to the nations around them. 2 Kings 17:32-33. Mixing truth with non-truth makes discernment of God's desired worship much more difficult and worshipping in vain much more of a danger. Matthew 15:9. The author explores denominationalism in this series, examining a number of the more popular main-line denominations to simply compare each with the Scriptures and to Christ's church as He established in the first century in areas of Origin, Organization, Authority, Belief, Doctrine, and Worship Protocol. It is hoped that by doing so, some light will be shed on what appears to be a very gray area for many on this subject. **A Prodigal Biography Second Edition** Justin Garcia, 2017-03-02.
