Emmanuel Hatzidakis, 2013-11-01 Was Jesus Christ a fallen human being like us Was His human nature corrupt and sinful inherently and necessarily subject to suffering and death Did He inherit a fallen humanity If His humanity was fallen how was He sinless Did He have human ignorance In what way was His human will involved in the plan of salvation What effect did the hypostatic union have on His humanity In Jesus Fallen Emmanuel Hatzidakis a Greek Orthodox priest addresses these and other controversial questions pertaining to the human nature of Christ which are debated in many Christian denominations and in his own Church The theology advanced in the book is the traditional theology of the historic Church In all the modern confusion of multiple Christs here we have the perennial image of the incarnate God the Theanthropos Christ The book should appeal to every serious Christian and student of theology history of dogma and Church History who is comfortable neither with liberalism nor fundamentalism but who is searching for the authentically true teachings of Christianity Hatzidakis draws richly from the patristic inheritance of East and West in an original refreshing and accessible way He refutes opinions formed by many eminent postlapsarian theologians This pivotal study is the first to address this topic from an Eastern Orthodox perspective and in this regard it constitutes an

important contribution to Christology A well researched study it sheds light from an Eastern Orthodox perspective on this intriguing and crucial topic It maintains that the subject of Christ s humanity and its understanding is neither a theologoumenon nor an abstract intellectual cogitation but a matter of profound soteriological and anthropological import

H. Almaas,2017-03-28 Well known spiritual teacher A H Almaas uses the metaphor of the mysterious philosopher s stone to discuss a tremendous liberating power that leads to endless enlightenment For millennia alchemists sought the philosophers stone the miracle substance believed to be the key to all the secrets of existence The quest was fueled by some of the prime questions of human existence What am I Why am I here How has this world come to be A H Almaas shows that the tremendous liberating power of the mysterious philosophers stone is closer to us than we realize In fact it is the true nature of all reality in all times and all places without being limited to being anything in particular Through the philosophers stone real transformation can happen our consciousness can become free and we can open to all the possibilities of reality Almaas discusses the factors that are involved in igniting the catalytic property of the philosophers stone and then begins to unpack the properties of true nature when it is free of constraints Finally we are left with the revelation that true nature is endlessly knowable and yet nothing we can know or say about it exhausts its mystery and power The result is a new understanding of what liberation and practice are and a view of what it s like when seeking ceases and life becomes a process of continual discovery We begin to appreciate that the freedom of reality expressed in the complete and fulfilled life all human beings seek and few find is actually the simplicity of the ordinary

### **Myopic Me! Freedom from Religion** John D Lane

Jr,2023-07-12 When nine of us prayed at Holden Beach we thanked God though we had been the victims of the Shepherding Religion But Jesus s proactive trip into the Wilderness had confronted an estimated forty two hundred religions according to current estimates Jesus s bedrock actions combined with His confrontation of Legion spelled the doom for religion s strongholds Post Holden Beach my wife s dream revealed that T Jacks come to snap at the ankles of every irreligious person who nevertheless has formulated their own religion They we become ensnared in the sweaty religion of Myopic Me Paul says that Myopic Me perfectly describes the crooked generation s love of self and money contemptuous of Law acting with cruelty disobedient to parents boastful and loving pleasure while scoffing at God Paul tells us that religion comes to everyone who demotes Christ s finished work Thus my five books address these battlefields for the soul of man Captured by the Faith Time Continuum Jerusalem with Solomon Einstein Made in the Bipolar Image of God Dividing Wall of Hostility Freedom from Religion

**Building Faith over Fear! Face Everything And Rise with JESUS!** Gerard Assey,2020-09-12 Everyone has some kind of fear Fear not Do not be afraid is probably the single most difficult command in the bible We may not have killed robbed or committed adultery but we all are certainly guilty of this one command No wonder then there is so much on the internet that says that the phrase FEAR NOT or DO NOT BE AFRAID appears 366 times in the Bible because it is believed that God knew that this was our weakest area that the devil would attack So these 366 times is like giving us a reminder every day including one for a leap year too But if you really take count there are actually more than 366 Fear not s or related terms in the Bible Thank God for this because we need to be reminded to trust God not just every day but every moment of the day as it is Him that runs the universe and our lives not us Worry is the result of fear lots of fear Fear about loss fear about security fear about safety fear about tomorrow People are worried about losing a loved one losing a job sicknesses diseases or viruses neighbours insects fear of making a presentation in public Well the list could go on Fear is one of Satan s most popular weapons that he uses against us filling us with worry anxiety fear torment and so forth However the Word of God in 2 Timothy 1 7 tells us very clearly For God has not given us a spirit of fear but of power and of love and of a sound

mind John 10 10 further tells us that the enemy the devil is that thief who only comes to steal kill and destroy and he does it in that order first starting with your peace and ultimately ending to destroy you That is what he is doing right now to the entire world Worry has never changed anything It is worthless If you think worrying about the viruses in the air will save you from it or worrying about your kids will make them safer it is only a false form of control It has no effect Worriers are always going back and forth over an issue they are worried about one minute they decide one thing and something else the next Worry is like a rocking chair it only tosses you back and forth You can t change the past you can t control the future and in the process you will only mess up today In James 1 8 we read that A double minded man is unstable in all his ways Worry is focusing on me and my fears and not God It s like telling God let me do your work of being in control Over 2000 years ago on a Resurrection Sunday Morning these same words Do not be afraid were uttered to the 3 women who came to the tomb of Jesus Matthew 28 10 God knew that the death of Jesus and their future could evoke fear of what is to come The angel sent by God invites them to COME and SEE the place where He had been laid To come and see for themselves that He was there but is NOW no longer there They are then instructed to GO and TELL the disciples They can t linger long there or keep this incredible news to themselves Jesus WAS crucified but He IS Risen They must go and tell others And in the going they are told they will SEE HIM just as He promised The tomb may have looked empty but it was full of hope potential possibility and new beginnings The empty tomb wasn t the end of a story but a new beginning It was a new beginning for the 3 women It was a new beginning for the disciples It was a new beginning for the kingdom of God And it IS a new beginning for you and me for all of us As the song so beautifully says Because He lives I can face tomorrow Because He lives all fear is gone Because I know He holds the future And life is worth the living just because He lives This little Book Building Faith over Fear Face Everything And Rise with JESUS is to help you do just that by providing you the right biblical ways of handling fear and enabling you Rise with Jesus

**The Brain and the Spirit**

Gena St. David, 2021-10-29 *The Brain and the Spirit* invites readers to embark on a practice of listening to the Christ story through the earpiece of neuroscience. After many years steeped in brain science, the author had an unexpected encounter with a theologian, James Alison, whose trust in God and forgiveness toward others appeared to defy neurobiological explanation. How did his encounter with the Christ story produce in him the Christlike responses that it did? This question launched the author on a thrilling quest to listen to the scriptures and take up questions of creation, humanity, sin, Jesus, salvation, the Spirit, and the body of Christ to hear what might get amplified by our ever-expanding understanding of the human brain. Readers are invited to eavesdrop on the twists and turns of the author's story and take up their own practice of listening to the Spirit, scripture, and theology through the earpiece of neuroscience and to become curious how the Christ story may spark trust, which unlocks our brain's capacity to engage reality with relationality, kindness, creativity, and access to joy.
