Fictions of Conversion Jeffrey S. traces the development of print culture and of the literary marketplace alongside the continued circulation of poetry in manuscript. It places John Milton, Andrew Marvell, Margaret Cavendish and Katherine Philips and other mid-century poets into the full century of specifically literary development. It traces continuity and change, imitation and innovation in the full-century trajectory of such poetic genres as sonnet, elegy, satire, georgic, epigram, ode, devotional lyric and epic. The volume's attention to poetic form builds on the current upswing in historicist formalism, allowing a close focus on poetry as an intensely aesthetic and social literary mode. Designed for maximum classroom utility, the organization is both thematic and in the authors' section chronological. After a comprehensive Introduction, organizational sections focus on Transitions, Materiality, Production and Circulation, Poetics and Form, Genres and Poets.

An Etymological Dictionary of the English Language Walter William Skeat, 1893

An Annotated Corpus of Three Hundred Proverbs, Sayings, and Idioms in Eastern Jibbali/Šḥərēt Giuliano Castagna, 2024-08-14

This book explores the rich paremiological heritage of Jibbali, an endangered pre-literate language belonging to the Modern South Arabian sub-branch of Semitic, spoken by an ever-decreasing number of people in the Dhofar governorate of the Sultanate of Oman. Reflecting the historical value of proverbs and idiomatic expression within the documentation of a language, Giuliano Castagna analyses a sizeable share of Jibbali proverbs, sayings and idioms from Arabic language publications as well as hitherto unpublished expressions that reveal undocumented features in the domains of lexicon, phonetics, phonology and morphology. Castagna's grammatical analysis, phonetic, phonological and morphological of these pieces of folk knowledge underpins the documentation of an obsolete lexicon. It is accompanied by a brief introduction to the study of proverbs, paremiology and a succinct grammatical sketch of Jibbali, making the book useful both to experts and to students of these topics.

The Heartbreak of Conversation and Why Men Should Never Wear Pretty Stockings Nathan Graham, 2012-10

As a child, Nathan Graham was convinced he would one day lead a worry-free existence filled with independence and acclaim. Unfortunately for him, his goals have yet to be realized. In his collection of humorous essays, Graham shares stories from a life paved with weird and quirky characters, including suicidal survivalists, hollow celebrities, look-alikes, meandering men of God, and hapless blithering fools. Graham begins with the story of his first whipping at age five when he was lured into the sinful experience of climbing a tree all for the sake of securing a few immoral licks of a peppermint candy cane. With a fresh and only slightly jaded voice, Graham shares an unforgettable, amusing glimpse into a unique coming-of-age journey in which he quickly learned compassion, consolation, manners, card tricks, retribution, and how to foxtrot. But it is only after deep reflection that he realizes the biggest lesson of all: Tolerance. *The Heartbreak of Conversation and Why Men Should Never Wear Pretty Stockings* offers one man's laugh-out-loud reflections as he discovers the real keys to success: A clear conscience, a healthy demeanor, and the willingness to always look at the funny side of life.
