The "Big Three's" Takeover of Sport EARLE F. ZEIGLER Ph.D. LL.D. D.Sc., 2011-06-10 In the The BigThrees Takeover of Sport Dr Zeigler argues that such a take over of competitive sport by capitalism nationalism and democracy has become a very serious problem that gradually became a crisis as the twentieth century wore on The main purpose of this book to show that the commandeering or take over of sport by the conglomerate of three enumerated has created a situation where competitive sport has been increasingly degraded to a destructive professional morality espousing a mentality that screams Winning is now not the most important thing in sport it is the only thing If indeed such is the case this means that we must move now to assess the evolving situation more carefully than ever before

Well Played Michael R Shafer, 2016-03-31 Should we allow performance enhancing substances in competitive athletics The first book of its kind Well Played answers this question by urging us to a deeper appreciation for the purpose of sport Giving special reference to performance enhancing substances Shafer challenges the incompleteness of the ethical arguments and contributes a Christian voice to the discussion He initiates a theological conversation that is both scholarly and accessible arguing that a distinctively Christian understanding of sport will have far reaching implications for how we treat ethical issues like doping The values beliefs and practices within the Christian tradition show an alternative that prioritizes humility and friendship grace and gratitude over the win at all costs mentality that drives the use of performance enhancing substances for a competitive advantage This ground breaking book ventures into new theological territory as it explores the intersections of theology philosophy of sport and the ethics of doping Theologians ethicists and pastors as well as coaches athletes and sports fans will benefit from this book s thoughtful reflection on how Christians can play well in the modern sports culture
