Sports Illustrated 2014 Calendar:

Housterian Calendar, The: Today in Houston History James Glassman, 2019 September 4 2000 was Houston's hottest day on record as well as Beyoncé's nineteenth birthday Sam Houston was elected president on September 5 1836 The city was awarded a National League baseball franchise on October 17 1960 and on November 1 2017 the Astros won their first World Series On December 13 1882 the Capitol Hotel became Houston's first public building to get electricity Tragedy struck on April 16 1947 when a ship carrying ammonium nitrate fertilizer exploded alongside a Texas City dock James Glassman captures every single day of the year in the prism of Houston history from the Texas Revolution to the moon landing

Sports Illustrated The Football Vault Sports Illustrated, 2023-10-31 Sports Illustrated the most respected voice in sports journalism has covered the National Football League for over seven decades documenting its heroes villains great characters and iconic moments A wide ranging portrait of America's game this anthology features the best pro football writing from the SI archives by nationally renowned journalists including George Plimpton Frank Deford Rick Reilly and Paul Zimmerman

Skimpy Coverage Bonnie M. Hagerman, 2023-05-15 Skimpy Coverage explores Sports Illustrated's treatment of female athletes since the iconic magazine's founding in 1954 The first book length study of its kind this accessible account charts the ways in which Sports Illustrated arguably the leading sports publication in postwar America engaged with the social and cultural changes affecting women's athletics and the conversations about gender and identity they spawned Bonnie Hagerman examines the emergence of the magazine's archetypal female athlete good looking straight and white and argues that such qualities were the same ones the magazine prized in the women who appeared in its wildly successful Swimsuit Issue As Hagerman shows the female athlete and the swimsuit model at least for the magazine were essentially one and the same Despite this conflation and the challenges it poses Hagerman also tracks the distance that sportswomen including Wilma Rudolph Billie Jean King Serena Williams and Megan Rapinoe have traveled both within Sports Illustrated's pages and without Blending sports with gender history Skimpy Coverage profiles numerous sportswomen who have used athletics and the platform sport offers to push for empowerment freedom equality and acceptance in ways that have complemented and inspired broader feminist agendas **Illustrated sports, with which is incorporated Goy's calendar of sports ,1884**

College Sports Eric A. Moyen, John R. Thelin, 2024-11-26 A bold and foundational history of the inception and evolution of intercollegiate athletics in the United States In College Sports historians Eric A Moyen and John R Thelin tell the intriguing story of the success and excess of American college sports from their inception to today Arguing that the modern American university s structure spurred the growth of big time sports Moyen and Thelin also highlight the treatment of marginalized groups in athletics and the role that commercialization and the media have played in shaping college sports Using a wealth of secondary resources archival records newspaper articles and oral histories Moyen and Thelin offer a chronological account of the popularity success and continued challenges of college sports Most scholarship has portrayed athletics as an anomaly within higher education but history reveals that college sports enjoy a symbiotic relationship with universities Reform and a return to a purely amateur model have rarely been a compelling option for those institutions that are successful in commercialized big time college sports At the same time most student athletes compete in a very different model And despite their progressive posturing colleges have been slow to fully adopt civil rights and social justice issues When full participation was finally extended to women and minorities it generally meant a move away from the amateur model into a commercial enterprise By examining key events at specific universities athletic conferences and the NCAA Moyen and Thelin trace how the media and sports marketing have created an incredibly successful financial model for

schools in big time conferences Yet this model has also created a precarious fiscal situation for hundreds of other institutions This provocative and refreshing take on sports in American universities provides the context in which to understand and improve upon the current landscape of intercollegiate athletics **Astroball** Ben Reiter, 2018-07-10 NEW YORK TIMES BESTSELLER The inside story of the Houston Astros whose relentless innovation took them from the worst team in baseball to the World Series in 2017 and 2019 Reiter's superb narrative of how the team got there provides powerful insights into how organizations not just baseball clubs work best The Wall Street Journal Astroball picks up where Michael Lewis's acclaimed Moneyball leaves off telling the thrilling story of a championship team that pushed both the sport and business of baseball to the next level In 2014 the Astros were the worst baseball team in half a century but just three years later they defied critics to win a stunning World Series In this book Ben Reiter shows how the Astros built a system that avoided the stats versus scouts divide by giving the human factor a key role in their decision making Sitting at the nexus of sports business and innovation Astroball is the story of the next wave of thinking in baseball and beyond at once a remarkable underdog tale and a fascinating look at the cutting edge of evaluating and optimizing human potential *Routledge Handbook of Physical Cultural Studies* Michael L.
