Lotus Don't let the pretty name fool you. This daughter is no delicate flower. Lotus grew up orphaned. Having no idea who her real parents were, she's been drifting around the U.S. for over 100 years, moving every 15 years or so, since she just doesn't seem to age. She'd figured out on her own that she had to be at least part vampire as she needs to suck on a few blood bags a month to survive. Working as a detective with the Denver P.D., Lotus is searching desperately for a serial killer who is murdering the homeless of the city. Except these are not ritualistic or thrill killings. These victims have been drained of blood, and Lotus knows beyond a shadow of a doubt that they have been committed by a vampire. Her search will take her to Las Vegas, and that is where the true adventure will begin, where she learns who has been searching for her. This is part I of Lotus's story. *Watcher* is part II and *Guardian* is part III, all available for download. The boxset is also available for download. Despite a massive joint investigation by the Portuguese and British police departments, Madeleine was not found. Reports of sightings of the young girl in Spain, the Netherlands, Morocco, Argentina, Austria, France, India, America, and Australia brought cruel moments of hope to her family, but her actual location and fate remained a mystery. As the search for Madeleine reached a dead end in Europe, Salisu Suleiman, thousands of miles away in Africa, had developed an unusual approach that could overcome the limitations of modern investigative techniques and forensic science. Knowing that there were hundreds of people across the continent who claimed to be able to perceive things in an alternative reality, he considered the possibility that one of them might be able to find Madeleine. Embarking on this strange search, Suleiman meets the Seventh Mystic, who believes that he knows where Madeleine is. Through his gifts, the Seventh Mystic delivers what should be the answer to everyone's prayers: an address in Lisbon. Soon after that, a photograph of the suspects surfaces. But just when they think Madeleine's recovery is imminent, they face a seemingly insurmountable obstacle: because no judge will authorize a search based on the visions of a psychic in a remote African settlement. Was the mystic's information correct? Was Madeleine ever in house number nine? Is she still there? With the Seventh Mystic's visions left untried, many questions remain unanswered.      *Well-Known Trade Marks* Hiroko Onishi, 2015-06-26 This book considers the effectiveness of well-known trade mark protection at an international level.
