House of Commons - Home Affairs Committee: Asylum - HC 71 Great Britain: Parliament: House of Commons: Home Affairs Committee, 2013-10-11 The asylum system is overburdened and under severe pressure The backlog of asylum cases that should have been cleared by 2011 has reached 32 600 with some people waiting up to 16 years for a decision Thousands appear to be living in a sub standard level of housing as part of the COMPASS contract supplied by the private contractors G4S Serco and Clearel These companies must be held accountable The quality of decision making is also of great concern as

30% of appeals against initial decisions were allowed in 2012 The impact of decisions are grave if asylum is not granted when it should be then the UK is failing to protect a vulnerable person If asylum is granted when it is not deserved then the UK may well end up harbouring war criminals and terrorists Those who apply for asylum should be checked against national and international law enforcement agency and security databases to ensure that we are not harbouring those who intend us harm The Home Secretary has to give assurance that any anomalies in the process which have allowed decisions such as this to take place are addressed immediately The are also oncerns about the level of support available to those who seek asylum in the UK The Immigration and Asylum Act 1999 section 4 which provides a reduced support system for asylum seekers who had had their claim refused but were unable to return to their country of origin through reasons that were no fault of theirs is not a solution UK Pullout easyuni, **Spouse/Partner Visa to the UK** Arthur Crandon,2024-08-20 Are you and your partner dreaming of a life together in the UK but feeling overwhelmed by the visa application process Look no further A Comprehensive Guide to Getting a Spouse Partner Visa to the UK is your ultimate resource for navigating the complexities of UK immigration This indispensable guide offers step by step instructions practical tips and expert advice to help you and your partner successfully obtain a UK visa Whether you re just starting your journey or are already in the midst of the application process this book provides all the information you need to make your dream a reality Inside This Guide You ll Discover Eligibility Criteria Detailed explanations of the age relationship and residency requirements Insights into the financial and English language proficiency standard Exceptions and special circumstances that may apply to your situation Preparing Your Application Comprehensive checklists of required documents including passports proof of relationship financial evidence and accommodation details Tips on gathering and organizing your documents to ensure a smooth application process Completing the Application Form Step by step guidance on filling out the VAF4A form with detailed instructions for each section Common pitfalls to avoid and best practices to follow Biometric Information What to expect when providing biometric information fingerprints and a photo at a visa application center Tips for a hassle free biometric appointment Submitting Your Application Options for submitting your documents online or by mail How to track your application status and what to do if additional information is requested Attending an Interview When an interview might be required and how to prepare for it Sample questions and tips for answering confidently and accurately Receiving Your Decision Understanding the processing times and how to track your application What to do once your visa is approved including collecting your Biometric Residence Permit BRP Traveling to the UK Essential documents to carry when traveling to the UK What to expect at border control and how to ensure a smooth entry Settling in the UK Tips for adjusting to life in the UK and making the most of your new home Resources and support available to help you and your partner settle in comfortably Why Choose This Guide Expert Advice Written by immigration experts with years of experience helping couples navigate the UK visa process Practical Tips Real life examples and practical advice to help you avoid common mistakes and
