Visions Of Jesus And The Second Coming:

Visions of Jesus Christie Beckley,2015-08-17 This book is a compilation of many different visions and encounters with Jesus Christ and of Heaven These Stories will touch your heart and will cause you to hunger for more of Jesus and His Heavenly Kingdom Visions of the the Lord s Second Coming are also in this book You don t want to miss out on these amazing life changing experiences You will laugh and you will cry This is a book you will treasure Daniel Charlene R. Fortsch, Erica Dissler,2005-10 Some dreams or visions if they are symbolic in nature require an interpretation This unique book Daniel Understanding the Dreams and Visions unlocks and explains the structure and mysteries of the prophecies in the book of Daniel It reveals the keys that the prophet Daniel has presented to unlock the prophecies of the Bible Daniel expounds the prophecies in four distinct visions of how God has revealed the rise and fall of the seven earthly kingdoms empires many centuries in advance The truths of these prophecies have withstood every attack from every scholar and skeptic According to the Talmud and the Hebrew Scriptures Daniel received and interpreted dreams and visions similar to many other Jewish prophets This new book brings much needed clarity to the text of the prophecies of Daniel through the definitions of codewords maps pictures illustrations charts tables and secular historical records The Author adds comments only where necessary An understanding of the Old Testament book of Daniel will set the foundation for a better understanding the prophecies in the book of Revelation In this book the author adopts a detailed but simple approach to an intricate and complex web of prophetic truths of coming world events The object of this book is to clarify the symbolisms and cryptic codes in the ancient yet futuristic prophecies of Daniel For as Jesus said And now I have told you before it come to pass that when it is come to pass ye might believe JOHN 14 29 Take heed that no man deceive you Matt 24 4 **Signs of the Second Coming of Jesus Christ and the End of the World** Steve Urick,2009-09-03 One of the most interesting topics in the Bible is the doctrine of the Second Coming of Christ God has not left us in the dark concerning the details of Christ s future coming but has given us several clear prophetic signs to watch for Signs of the Second Coming of Jesus Christ and the End of the World looks at key events the Bible says will lead to the glorious return of the Lord Jesus at the end of the age If you ever wondered why the world is the way it is and where it is headed then you need to read this book Whether you are a Christian or not this revealing work will give you the vital information you need to prepare for what may come in the near future and for eternity itself this book gives much historical information compares worldviews and provides several charts for a better understanding of historical developments *A Vision of Jesus* R.T. Kendall,2024-03-05 What if Genesis through Revelation is just the beginning of knowing who God is This book will guide you into a deeper understanding and intimacy with God as you study who He is as the resurrected King You will have a better grasp of the book of Revelation and who Jesus is revealed in this powerful part of Scripture The image we have of Jesus is one that affects the way we act as Christians and the way we take the gospel to the world That image has sometimes been reflected badly because we do not have a fully

rounded image of the Jesus we love and worship. Indeed, some modern concepts of Jesus in the church would be difficult to worship. In Revelation 1, Jesus appears in a vision given to the apostle John. It is an awesome majestic vision. The Bible perhaps intentionally doesn't give us much information about what Jesus looked like in human form. Yet here in John's apocalyptic book, God gives us an image that transcends the incarnation: an image of Jesus we can really focus on. In *A Vision of Jesus*, respected Bible teacher R. T. Kendall mines Revelation 1 to show readers the unique promise of the Book of Revelation. What Revelation teaches us about how to handle guilt, jealousy, and the unexpected. Who God is and how Jesus is the fulfillment of the Old Testament pictures as well as our great High Priest, the King, and more. In these pages, Kendall guides readers toward a faith enriched by a more complete image of the Savior. Engaging and enlightening, this book will inspire Christians to renew their devotion to Jesus and share His transformative love with the world. *The Nonviolent Coming of God* James W. Douglass, 2006-04-01. In this his most eloquent and far-reaching book, James Douglass explores the haunting parallels between the situation of Jesus and our situation today. Jesus, who lived in anticipation of the impending destruction of Jerusalem by the Romans and suffered from this vision, called urgently for a radical conversion to avert the tragedy. The choice then, as now, was between nonviolence and nonexistence. This choice is even more stark in the nuclear age. Whether describing the visions of Gandhi, Martin Luther King Jr., Archbishop Romero, or the witness of his own community against the White Train carrying warheads across the country, Douglass can discern the signs of a second coming: a nonviolent coming of God. The possibility for a different future depends on a different kind of humanity renewed and transformed by the nonviolent cross of Christ. **History and Vision** James F. Burke, 1972. *A Question of Being* Karin Holsinger Sherman, 2007-07-20. James Douglass's writings have been recognized as among the most challenging and inspiring explorations of nonviolence and Christian discipleship in the last century. Throughout his career, Douglass has argued forcefully for the integration of contemplation and resistance, theology and cultural critique, spirituality and prophetic involvement. His work has inspired many of the key figures in recent debates regarding just war, Christian nonviolence, and radical discipleship and continues to be highly relevant in our contemporary situation. In *A Question of Being*, the first book-length treatment published on Douglass's writings, Karin Holsinger Sherman provides an introduction to and engagement with this important body of work through an exploration into its contextual history, influences, and main themes. Moreover, the author argues that these themes work together to create an ontology of nonviolence, an ontology that integrates the forces of resistance and contemplation so important to Douglass. The book begins by examining Douglass's biography and three broad historical trajectories that give context to his thought: the fusion of Christianity and American nationalism in the early Cold War period, the emergence of cultural critique in the late fifties and early sixties, and the Catholic pacifist tradition and the post-1972 period of disillusionment. Holsinger Sherman then considers the lives and thought of Dorothy Day, Mahatma Gandhi, and Thomas Merton as well as their unique intellectual and exemplary influence on Douglass's ideas. After explicating the themes of the

cross and the kingdom as they developed chronologically in Douglass's writing career this book draws together Douglass's thought to reveal an ontology of nonviolence In her conclusion Holsinger Sherman argues that this ontology of nonviolence is the key to understanding Douglass's integral theology of contemplation and resistance Ancient Aliens, the Rapture and the Return of Christ Chet Cataldo, 2011-05-24 Many cultures around the world have records of ancient aliens who visited them gave them knowledge and left Who are these aliens This book will identify these ancient aliens and describe a coming day when these aliens will return to the earth The day of the aliens return to the earth will be integrated into the idea of the Rapture and the Return of Christ **Episodes In Visions** Zebron Ncube, D. Min. , 2018-04-30 In his book Dr Zebron Ncube argues that in spite of socio political chaos and pessimistic and secular thinking that dominate human society the Book of Revelation tells us that God is still in control This is the prism through which the Book of Revelation should be read In Episodes in Visions each episode has its own full Bible text key thought major objective overview and discussion with practical implications The preacher will find this book to be a tremendous resource for a preaching series Individuals and study groups will benefit from the easy to use outlines of the book The book is written from a preacher's perspective to give hope to a cringing spirit because the foundations of human society are crumbling God is in control Dr Zebron Ncube explains the mysteries of symbols and numbers to connect the contemporary mind with John and his first century audience No other book has so much relevance to the contemporary church and world as does the Book of Revelation that Dr Ncube writes about The Second Coming of Christ J. C. Waller, 1864 A Vision Of The Last Days Rev. Larry Tollefson, 2018-11-29 The study which followed the vision I saw entitled The Last Days is based on seventeen of Jesus prophecies in Matthew 24 and their present day fulfillment Are you ready for a surprise Keep reading The Vision of His Glory Anne Graham Lotz, 2009-04-28 **Fire Vision** Steven Harrison, 2018-07-17 Within the pages of the Holy Bible the Lord God Almighty used fire in powerful ways to deliver His message His authority became apparent when He brought or sent fire down A few excellent illustrations include Elijah and the prophets of Baal the three young men in the fiery furnace Sodom and Gomorrah and Moses at the burning bush and the tongues of fire on the day of Pentecost Consider also our largest visual source of fire and heat The solar sun eclipses and blood moons are often considered as key events or signs in God's Word Flames entered my apartment in 1992 and left behind four distinct burned images with sealed messages from the eternal consuming fire The amazing images in my bedroom later told the story of my heart attack The Holy Spirit unlocked these images by His Word through time The Cokeville miracle story also has a detailed fire image that was burned into the wall Its message had been well hidden until now Learn the interpretations for these miraculous images and understand that the same Creator who made these images will be returning someday with His fire vision to judge all things The single most important and unanswered question for many people today remains a mystery Ask yourself How will the King of kings see me *The Vision of the End Time Ministry* Lisa Hulsey, 2014-05-01 Discover the message God is revealing to the end time Christians These

secrets and mysteries have been hidden in plain sight awaiting His appointed time for unsealing He has given us elaborate pictures in His laws the prophets patterns the parables of Jesus and types and shadows This book is eye salve for the church It is controversial yet cannot be disputed Once you learn the path of true bible study you will never be the same **Vision**,1890 **Is Our Vision of God Obsolete?** G.R. Pafumi,2010-01-15 Our vision of God varies by culture It has changed over the millennia We no longer believe in the pagan gods of the Romans and Greeks Why should we expect that our current view of God will not change Scientific knowledge and discovery is occurring at a pace never before experienced in human history Yet our concept of God remains mired in the 15th century This is about to change It will become increasingly difficult for religions to convince believers educated in modern science to blindly accept as truth religious dogmas conceived centuries ago Religious scripture is a combination of literature myth and superstition Science will invalidate many of these myths This is why intelligent design advocates fear science The Forgotten Jesus and the Sanctuary Song David S. Bird,2005-05 Like a new song to sing This book contains fifteen new songs and six stories that will help you learn about a generally forgotten area of Jesus ministry **Seventh-Day Adventism in Africa** Gabriel Masfa,2023-06-16 This book examines the complex history of Adventism in Africa situating it within the context of African traditions and culture From a small movement with origins in the United States the Seventh day Adventist Church has grown worldwide It is one of several Christian denominations present in Africa and yet the history of Seventh day Adventism in the global South has been largely unexplored by scholars The book highlights the discrepancies between western traditions exhibited in the missionary enterprise and African religious systems It also explores the intricate relation between colonialism and African Adventism in line with established studies in African Christianity It will be of interest to scholars of religion and theology particularly church history and mission studies as well as African studies *End-Time Prophecy Made Easy* William Lightner,2018-08-24 I chose the name End Time Prophecy Made Easy because my goal in writing this book was to simplify prophecy for the average layperson Moreover since Prophecy for Dummies was already taken and copy written I had to choose something If you are a biblical scholar or theological genius this book is definitely not for you However if you are one of the millions of regular people who would just like to know more about end time prophecy this book will make things easier to understand and reduce it to the bare bones It explains what the rapture is where it is located in the Bible and who it is directed toward It explains the tribulation judgment seat of Christ wedding banquet of the Lamb and millennium in nontechnical language This book also distinguishes the differences between the nation of Israel the church and the rest of the world describing their parts in each event It takes each end time event and besides describing what each event is puts it on a timeline depicting the order of these events Interestingly to most people this book also points to the various places in the Bible where the United States is mentioned in prophecy Although the United States was not a nation at the time the Bible was written it gives a very extensive and widespread description of this country This description fits the United States to a tee It is so graphically

expressive and vivid that as the description is given every other nation on the face of the earth is eliminated At the same time as the portrayal is depicted the case for it pointing to the United States grows It is obviously clear that the United States is this end time nation the Bible portrays **System Upon Systems in the Bible** WILLIAM OUYANG,2024-11-26 This book tries to tie different passages of scripture together and find deep insight into the meaning of different passages To link different parts of the Bible together into a coherent theme I hope you find this book insightful I love the Bible I find it incredibly deep hope you can understand the insights as I share what the Lord has so kindly allowed my eyes and mind to see System Upon Systems in the Bible is a book containing 9 standalone insightful chapters into God s rich word Professional Reviews This book has received a 5 star rating from Literary Titan and a few weeks later they awarded me their Gold Seal Book Award Also received two 5 star ratings from Readers Favorite their reviews are in the introduction chapter of the book
