Saint Paul Lives on Earth: (...and so does God.) Johnny Bellview, 2021-12-27 This is a book that tells all about Saint Paul s past and current lifetimes including Saint Paul s trips to heaven It tells about Saint Paul s interactions with God and it is a real shocker of a book but not on purpose This book also includes everything that I know about reincarnation I am hoping that it could lead to scientific progress in hopes that we can all live forever the way that religion intends This book also tells all about Saint Paul s wonderful mother who is one of the secret heroes of religion This

book shows that God became a real wild card and that is how he is able to heal others The greatest healers don't have enough brain space to have morals That space is used for storing the magic to heal others This is a book that everyone can learn from The only reason that I have decided to publish such a dangerous book is because everyone will be able to at least know as much as I know about reincarnation and the promises of the Bible **The Divine Letters** Patrick Lerma, 2024-07-02 God Satan and an angel by the name of Angelina wrote letters to one another They lived on the earth for the first time in which each of the three different residences had its own address On earth God Satan and Angelina were anonymous to everyone except to one another Not anyone knew that God whose name was Cosmo which meant universe was God Not anyone knew that Satan whose name was Brant which meant fiery which meant like fire was Satan And not anyone knew that Angelina whose name was Angelina which meant heavenly messenger or angelic was an angel *Visions Beyond the Veil* H.
