

Dell PowerEdge SC430 Server

DELL

The Dell® PowerEdge™ SC430 offers small businesses an affordable server with room to grow.

Productivity

This award-winning server line now has Intel's dual core technology for more processing performance than ever before. The PowerEdge SC430 has multiple processor options. Dual core technology combines two processing units into a single processor for dramatic increases in performance. Intel® Pentium® 4 processors and Celeron processors provide alternative options for performance and value. With so many options, customers are able to select the power that fits within their budget and best serves their needs. This server delivers exceptional value for small businesses replacing a peer-to-peer network or an old server.

The PowerEdge SC430 features Microsoft® Small Business Server 2003, designed to help small businesses take advantage of the Internet, strengthen customer relationships and improve employee productivity. And with additional operating system choices, the server can help customers easily transition from bottle-neck prone peer-to-peer networks to a client-server environment without frustration.

Flexibility

The PowerEdge SC430 is designed to give small businesses the flexibility necessary to stay competitive. With 50% more storage capacity and 50% more high performance networking slots than the previous generation Dell server, the SC430 can scale with the growing needs of the business. Its memory, I/O technology and storage capacity make the PowerEdge SC430 an ideal option for small businesses with five to ten clients that require high uptime for dedicated applications, file/print utilization, messaging and shared Internet access.

Easy to Get Up and Running

Dell understands that small and medium-sized organizations have limited budget and IT support resources. That's why ease of management is a key feature of the PowerEdge SC430. It is designed to be easy to set up, run and troubleshoot. The PowerEdge SC430 comes with Dell Server Assistant for PowerEdge SC servers for quick and easy deployment.

The PowerEdge SC430 server delivers affordable performance giving small businesses a server with room to grow as they do.
