Poz C. Koehler,2021-01-25 Even at an allegedly gay friendly high school being out isn't easy not if you play a sport Remy didn't just play a sport he lived for a sport He bled crew and rowed with his best friend Mikey He'd known him forever but was a year ahead of him in school and crew varsity to his JV But then something changed They were on the way to a regatta in San Diego and suddenly they noticed each other Remy didn't know what happened They'd changed in front of each other in the locker rooms all the time at school But Remy'd never looked and suddenly all he could do was stare Remy thought Mikey felt the same yet somehow Mikey didn't want a relationship Whatever Remy didn't have time for drama They had a major regatta to prepare for They make apps to help lonely young men to find temporary companionship and let's just say Remy enjoyed the summer before his senior year Then everything caught up with him and it all came apart Mikey was furious but if he didn't want a relationship why was he angry It turned out there was a price for playing around and when Remy got sick he had to wonder where would Mikey be *World Record Game Fishes*,1986 Home and Homeland Linda L.

Layne,2019-01-15 In this provocative examination of collective identity in Jordan Linda Layne challenges long held Western assumptions that Arabs belong to easily recognizable corporate social groups Who is a true Jordanian Who is a true Bedouin These questions according to Layne are examples of a kind of pigeonholing that has distorted the reality of Jordanian national politics In developing an alternate approach she shows that the fluid social identities of Jordan emerge from an ongoing dialogue among tribespeople members of the intelligentsia Hashemite rulers and Western social scientists Many commentators on social identity in the Middle East limit their studies to the village level but Layne's goal is to discover how the identity building processes of the locality and of the nation condition each other She finds that the tribes create their own cultural homes through a dialogue with official nationalist rhetoric and Jordanian urbanites while King Hussein in turn maintains the idea of the homeland in many ways that are powerfully influenced by the tribespeople The identities so formed resemble the shifting irregular shapes of postmodernist landscapes but Hussein and the Jordanian people are also beginning to use a classically modernist linear narrative to describe themselves Layne maintains however that even with this change Jordanian identities will remain resistant to all or nothing descriptions Linda L Layne is Alma and H Erwin Hale Teaching Professor of Humanities and Social Sciences in the Department of Science and Technology Studies at Rensselaer Polytechnic Institute Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Billboard,2001-02-24 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing
